

## CHAPTER TWO

### NATIONAL TREATMENT AND MARKET ACCESS FOR GOODS

#### Article 2.01: Definitions

For purposes of this Chapter:

**advertising films and recordings** means recorded visual media or audio materials, consisting essentially of images or sound, showing the nature or operation of a good or service offered for sale or lease by a person established or resident in the territory of a Party, provided that those materials are of a kind suitable for exhibition to a prospective customer but not for broadcast to the general public, and provided that they are imported in a packet that contains no more than one copy of each film or recording and that does not form part of a larger consignment;

**agricultural good** means a product listed in Annex 1 of the WTO *Agreement on Agriculture*;

**commercial sample** means:

- (a) a good that is:
  - (i) representative of a particular category of good produced outside the territory of a Party, and
  - (ii) imported only for the purpose of being exhibited or demonstrated to solicit orders for a similar good to be supplied from outside the territory of a Party; or
- (b) a film, chart, projector, scale model or similar item, imported only for the purpose of illustrating a particular category of good produced outside the territory of a Party to solicit orders for a similar good to be supplied from outside the territory of a Party;
