

NOTICE OF WAYS AND MEANS MOTION

(e) in the case of each barrel of gasoline type fuel exported from Canada in the period commencing on May 1, 1974, and ending on August 1, 1974, be at the rate of \$1.00 per barrel, and

f. That for the purpose of this said measure

(a) oil be defined as (i) any crude oil or other hydrocarbon or mixture of hydrocarbons recovered in liquid or solid state from a natural reservoir in Canada, including any hydrocarbon or mixture of hydrocarbons produced by extraction from oil sands, and (ii) any natural gas, gas or condensate resulting from the production, processing or refining in Canada of gas within the meaning assigned to that expression by Section 801 of the National Energy Board Act recovered from a natural reservoir in Canada.

and includes any oil product being any hydrocarbon or mixture of hydrocarbons, whether in a liquid or solid state resulting from the processing or refining of crude oil or other hydrocarbons described in paragraph (i) that is designated as an oil product by regulations made by the Governor in Council;

(b) "gasoline type fuel" be defined as fuel refined from petroleum and used in internal combustion engines other than aircraft engines or used in the driving of such fuels.

(c) petroleum be defined as

(i) any crude oil or other hydrocarbon or mixture of hydrocarbons recovered in liquid or solid state from a natural reservoir in Canada, including any hydrocarbon or mixture of hydrocarbons produced by extraction from oil sands, and (ii) any natural gas, gas or condensate resulting from the production, processing or refining in Canada of gas within the meaning assigned to that expression by Section 801 of the National Energy Board Act recovered from a natural reservoir in Canada.

That it is expedient to introduce a measure to provide among other things

1. That a charge be imposed, levied and collected on each barrel of oil exported from Canada in any month commencing with December 1, 1974, in such amount not exceeding \$2.00 as may be prescribed in a tariff of charges for that month made by Order of the Governor in Council, and that the charge

(a) be paid by the person holding a licence under Part VI of the National Energy Board Act for the exportation of oil from Canada and under whose licence the oil is purported to be exported, and (b) be administered, enforced and collected by the National Energy Board.

2. That in respect of the export from Canada in the period commencing on April 1, 1974, and ending on December 1, 1974, of petroleum or petroleum products as described in paragraphs (e) to (i) hereof, a charge, to be administered, enforced and collected by the National Energy Board, be imposed on each such barrel so exported to be paid by the person holding a licence under Part VI of the National Energy Board Act for the exportation of the petroleum or petroleum products from Canada and under whose licence it is purported to be exported, and that the charge

(a) in the case of each barrel of crude oil, within the meaning assigned to that expression by Section 2 of the Oil Export Tax Act, exported from Canada in the period commencing on April 1, 1974, and ending on June 1, 1974, be at the rate of \$4.00 per barrel,

(b) in the case of each barrel of petroleum exported from Canada in the period commencing on June 1, 1974, and ending on December 1, 1974, be at the rate of \$3.50 per barrel,

(c) in the case of each barrel of middle distillate and heavy fuel oil refined from petroleum and exported from Canada in the period commencing on May 1, 1974, and ending on August 1, 1974, be at the rate of \$4.00 per barrel,

(d) in the case of each barrel of middle distillate and heavy fuel oil refined from petroleum and exported from Canada in the period commencing on August 1, 1974, and ending on December 1, 1974, be at the rate of \$3.00 per barrel.
