## The Salvation Army.

TERRITORIAL HEADQUARTERS:

JAMES AND ALBERT STREETS,

TORONTO, ONT.,

NOVEMBER, 1893.

Dear Friend,—

Throughout the Dominion our people are trying to help on this great work by acts of extraordinary Self-Denial, during the week commencing November 25th and closing December 1st. Will you assist us by giving something towards this fund?

Will you consider the great work the Army is doing, and help us to extend it? WILL YOU HELP US preach the pure gospel to the crowds who enter our barracks from Newfoundland to Victoria? WILL YOU HELP US to uplift Christ in the public streets, and to press the claims of God upon the thoughtless? WILL YOU HELP US mission the slums, and carry hope to the victims of despair? WILL YOU HELP US rescue the drunkard, and thus encourage the most effective temperance organization in the world? WILL YOU HELP US reform the gambler, and convert the thief? WILL YOU HELP our Children's Shelter to care for the destitute little ones, and our six Rescue Homes to uplift the fallen daughters of our country? WILL YOU HELP our Prison Gate Home to restore to truth and society the criminal, and our Industries to find employment for the workless? WILL YOU HELP our two Food and Shelters, which have in six months found a home for 23,228 men, and served 45,259 meals, to continue this glorious work? WILL YOU HELP US to train the children of the poor in the way of salvation, and to educate our cadets into successful Officers? WILL YOU HELP our missionary work among the French of Quebec, the natives of the Rockies, and the fishermen of Labrador? WILL YOU HELP the League of Mercy in its mission of love to Prisons and Hospitals? WILL YOU HELP our agents to visit the sick and care for the dying? WILL YOU HELP US supply the wants of our sick and poor Officers, whose self-sacrificing labors are recognized everywhere?

If so, please put your contribution in the box when the collector comes round, and may God reward you abundantly.

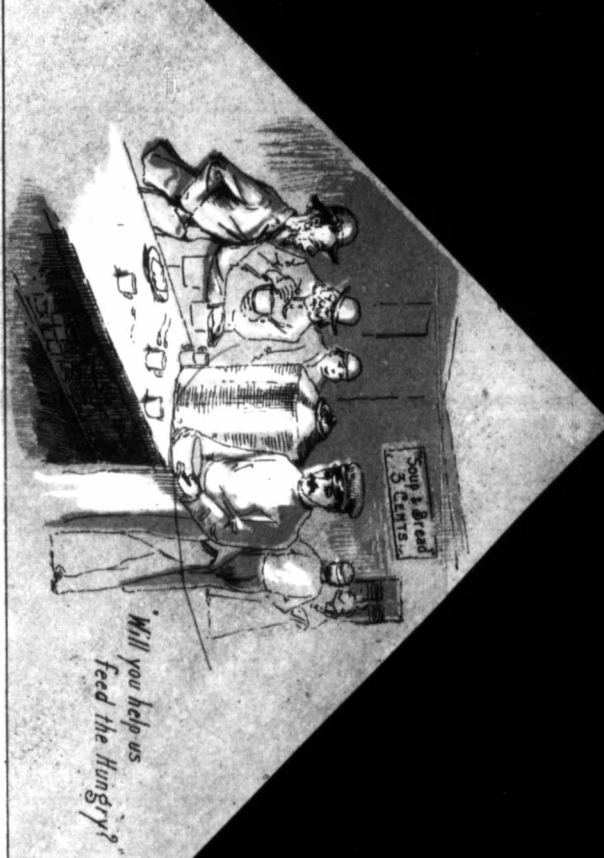

Yours, in the service of God and man,

HERBERT H. BOOTH,  
CORNELIE BOOTH,  
Commissioners.

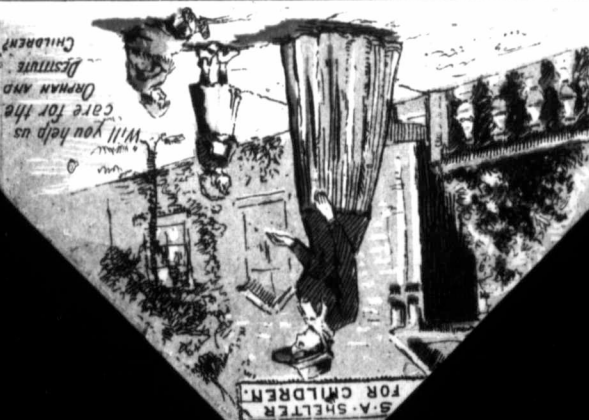

Please arrange for your offering  
to be put in the box of the  
Collector who will call.
