THE

WESTERN FARMER AND GARDENER;

DEVOTED TO

Agriculture, Horticulture, the Flower Garden, Cattle Raising,
Silk Culture, &c.

ILLUSTRATED WITH UPWARDS OF 80 ENGRAVINGS;

EDITED BY

E. J. HOOPER, THOMAS AFFLECK, AND CHARLES W.
ELLIOTT, Esqrs.

In one vol., 8vo., 1168 pages, cloth, \$2, sheep, \$2 50.

This is a practical book: the editors and other able writers for the work, having had long experience in the different branches of Agriculture, Horticulture, Cattle Raising, &c., &c., upon which they treat; and the selected articles being taken from the best works and journals on these subjects, all having especial reference to the climate, soil, &c., of the South and West, and Northwest.

AMERICAN

FLOWER GARDEN COMPANION.

ADAPTED TO THE UNITED STATES.—IN THREE PARTS.

PART 1.—Arrangement of the Flower Garden, and Propagation of Plants.

PART 2.—Management of the Flower Garden, Culture of Plants, Descriptive List.

PART 3.—Construction and Management of the Green-House.

By EDWARD SAYERS, Landscape and Ornamental Gardener.

1 vol., 12mo., cloth, last edition, revised, enlarged and illustrated; Price, 75 cts. Paper cover, 50 cts.

"The Flower Garden Companion, by Edward Sayers, Cincinnati.—The increasing taste for horticulture has called for further assistance to Neophytes, and right glad are we that one so able as Mr. S. to impart instruction in that delightful pursuit, has afforded us the benefit of his evidently enlarged experience. * * * * * The work is judiciously arranged, as to space, each subject being confined to its proper share, and the whole embraced by 600 well printed pages, and is offered at a price which brings it within reach of all."—*Philadelphia North American*
