

## ROYAL METEOR WINS FT. ERIE FINAL FEATURE

Baby Wolf, Long Shot, is Second and Cohort, Favorite, Third.

PORT ERIE, July 8.—Royal Meteor won the feature, the Port Erie Selling Stakes, in one of the best contests ever witnessed at this track. The finish, revolving itself into a duel between Cohort, the latter just managed to beat Baby Wolf out by a nose. Cohort was third, won a head for the place. Royal Meteor's victory was due to a splendid finish that Shilling put up. The latter could have won with any of the first three horses. Hildreth did not profit much by Royal Meteor's victory, as he was forced to stand a raise of \$50 to remain in the horse. Sam Lewis tried to make the steeplechase proved rather an easy thing for the favorite, Myrtle Light, who looked in a soft spot after Waterloo was withdrawn. J. W. Schorr claimed to have won the seventh race, but he was found to be a fraud. The eighth race, a Young Player Handicap, was won by Baby Wolf, who was ridden by Sam Lewis. The steeplechase was won by Cohort, who was ridden by Sam Lewis. The ninth race, a Handicap, was won by Cohort, who was ridden by Sam Lewis. The tenth race, a Handicap, was won by Cohort, who was ridden by Sam Lewis.

## TOM ECK'S BIKE GIRLS START RACING TO-DAY.

The Racing Bicycle Girls brought here from Tom Eck from New York will commence a racing engagement at Hanlan's Point to-day. They will ride races every afternoon and evening this week. The team is composed of Miss Jessie Stalter, America; Miss Elsie Rogers, England; Miss Anna McCann, Ireland; and Miss Agnes Raugh, Denmark, the four fastest girl bicycle riders in the world. They are willing to race against any of the local fast men on equal terms. Miss Stalter has defeated all the fast racing men around New York, Newark and Paterson on the home trainers, and Tom Eck says she will defeat almost any man who comes to race her. These home trainers are made up with three rollers, on which they ride the bicycle, and it is a very difficult machine to ride. Each home trainer has a dial with a hand on it, which indicates the distance covered, and the hands start and stop at the same time, showing who wins first, second, third and fourth. They can ride miles faster than any horse in the world can run, and have made miles in 12:15, half-mile in 22 seconds and quarter-mile in 12 seconds. The racing will take place on the raised platform and will be free to all. Tom Eck has been bringing attractions to Toronto for the past thirty years and has always given the public the best. He says these are the fastest racing bicycle girls ever seen in the world. They have just come off the Keith and Pector circuit in New York, finishing up a two-week's engagement on Hammerstein's Roof Garden in New York.

## Buffalo Takes Polo Game by 4 Points

Fast and Interesting Game at Woodbine Park—Some Fine Horsemanship.

An interesting and clever game of polo was played at Woodbine Park on Saturday between Toronto Hunt Club and Buffalo Country Club. The weather was ideal and a fast, scientific game was served up to the appreciative spectators.

The first half of the game was warmly contested through. Beardsmore proved to be Toronto's principal scorer in this half, with Curtis Buffalo's best marksman. Each team had one-half goal taken off for fouling, leaving the half time score at 2½ goals each.

In the second half the game continued to be a hard fight, although Buffalo scored three goals in succession. Patterson of Buffalo played fine polo in the half and certainly proved himself an excellent goal-setter. Both teams kept up a fast pace, although toward the end of the period the players showed signs of fatigue. Both teams scored in the last period, but Toronto scored a penalty of one goal for a foul by Beardsmore. The final score, Buffalo 7½, Toronto 3½.

The teams lined up as follows: Toronto Hunt Club—D. L. McCarthy, 1. A. O. Beardsmore, 2. H. C. Rickford, 3. L. H. McRie, 4. Buffalo Country Club—C. Curtis, 1. C. W. Goodyear, 2. E. P. Pattison, 3. Dr. Beardsmore, 4.

**Lakeview Golf Club.**  
At the formal opening of the new clubhouse of the Lakeview Golf and Country Club, held Saturday afternoon, a series of competitions were played. There was an enthusiastic cortege of golfers who took part in the proceedings, and everything passed off perfectly. The course was in excellent condition, in spite of the recent weather, and the day was ideal. Great interest was taken by the onlookers, and many surprises were sprung by the competitors. The handicap match was won by Mr. H. M. Wethead by the excellent score of 84, which was reduced by his handicap of 16 to 68. Mr. G. MacLeod made an excellent second with 85 gross. The ladies' putting contest was won by Mrs. Geo. Webster, Mrs. R. H. Greer and Miss Grace Webster being tied for second place. In the play-off, Miss Webster won second place by a better score than that which had already won first place. The gentlemen's putting contest was won by Mr. R. A. Mackie, Mr. D. E. Hogg making a good second, and Mr. J. G. O'Donoghue and Mr. Geo. J. Webster tying for third place. The driving contest was won by Mr. H. M. Wethead, Mr. W. R. Frankish, third, and Mr. W. R. Frankish, third. The prizes for these contests were presented at the evening dinner, the course of the dance. The affair all the way thru proved to be a huge success.

**Lacrosse at Cornwall.**
