ed on the north by her clothes, on the south by her social relations, on the will see a world of ariel rigging on east by her private hopes and on the which a great company of mid-air perwest by her income—four solid walls that shut out very thordly the world's light, and movement." This serious charge, brought by a recent critic of the sex, is based on the statem of t charge, brought by a recent critic of the sex, is based on the statement of the employer of a large number of women that not one in twenty of them ever knows anything of contemporary events or will ever be fit for promotion beyond mechanical work.

Many newspapers have a department to will find in the adjoining paylilon.

things "Of Interest to Women" will include the English education bill as well as the local school committee, the Russian Douma as well as the "Rainy Daisies," the regulation of railway move it, the automobile and other big Daisies," the regulation of railway rates rather than the latest divore, and the abrogation of the concordat by France rather than the petty jealousies of the Mage denominations.

It will not then be as easy to bound the average girl's horizon, and life or both men and women will be both more interesting and more useful.

Mr. Horn's Evylenation

the sunshine abound in fantastic effects, and many palms add to the illu-A monstrous umbrella in the centre is the protection for the tea ta-

bles beneath. Liveried attendants with lifted umbrellas escort the ladies in their sum-mer gowns to the isle of beauty, and the whole affair has the air of a deightful romance of beauty in distriss artistically rescued. An American visijokingly suggested to the manager the benefits of such a plan. And the manager—being no humorist, but very practical—had the system installed without delay, and is reaping a harvest of wide advertisement, as well as teing inundated with curious tourists.

Wisdom's Whispers.

Be always pleasant to look at and attractive to talk to. But do not give your thoughts to everybody. Keep your We are all different of the same ex

istence. No matter what your position or phase of life, the first duty is to take care of your health and body. If people have wronged you it is not always wise to insist upon the fact. Give them the chance to forcet. Promise less than you will keeptake less than you give.-Helen Wol-

Coronation Day.

Halifax. Aug. 9.—The Canadian soldiery to-day decorated the citadel masts with flags and bunting and fired a royal salute or 21 guns in honor of the an-

Barnum and Bailey's Big Show Addresses Conference of Miners Will Be Seen Twice-Over 300 Performers.

But who needs to be reminded of

outs owild be no more, and said: "We will never live to see it."

The miners want a restoration of the scale of 1903, which is an advance of seven and one-half per cent. over the present scale, an eight-hour day and increases in the allotment for yardage proportionate to the increase sought in the wage scale. It is said the operators are willing to restore the scale of 1903, but decline to grant the yardage increase.

TROLLEY CAR BRAV

TROLLEY CAR BRAV the show grounds; he saw thirty ele-phants and twenty camels lope down the runways of their big box cars, and he remarked nearly fifty dens of other "The average girl's horizon is bound-on the north by horizon is bound-furnished with opera chairs and all

and Operators and Advises Conservative Action.

Knoxville, Tenn., Aug. 9.-President John Mitchell of the United Mine that fact? There is something in the Workers of America to-day addressed very air of circus day that breaths of the joint convention of coal miners and

very air of circus day that breaths of sawdust, and spangles, and red lemony age, and elephants, and laughing nyenas, and acrobats, and airy, fairy riders, and a thousand other things as sociated in dreams and in reality with the white tents.

There is only one really big circus day, and that is when the Barnum & Bailey Greatest Show on Earth comes to town. And that is not surprising, in view of the magnitude of this great amusement institution.

To any one who really cares to study the difference between this and other

New York, Aug. 9.—Owing to the failure of the brakes to work, a trolley car became unmanageable on Amsterdam-avenue at 136th-street tohe remarked nearly fifty dens of other animals lined up for the procession to the lot. A little later, when he goes out to the show grounds, he will see the contents of those great wagons, metamorphosed into mammoth pavilions; he will see a vast hippodrome tent with seats for 14,800 persons, and all the procession to day, and running down a steep hill at great speed crashed into the rear of another car which was moving slowly. Both cars were filled with passengers, a score or more of whom were injured, three seriously. The most serious hurt were taken to a foundation of the procession to day, and running down a steep hill at great speed crashed into the rear of another car which was moving the passengers, a score or more of whom were injured, three seriously. The most serious hurt were taken to a foundation of the procession to the lot. A little later, when he goes out to the show grounds, he will see hospital. They were suffering from severe shock, in addition to numerous cuts and bruises. The others injured were either treated at the scene of the accident by ambulance surgeons

Several persons on the runaway car jumped before the crash occurred. They escaped unhurt. Others crowded as far to the rear as possible, probably preventing more serious results.

NEW BOOKS AT THE LIBRARY.

mechanical work.

Many newspapers have a department "Of Interest to Women." The index of its contents for a month in one newspaper would be instructive reading for women, says The Youth's Companion. Club quarrels, which begin with abuse and end in tears, discussions of long inger-nails; the edicts of "beauty costion"—these testify to the limit of the horizon of women as it appears to the horizon of women shall have bad a little better chance at girls, and we women will regard it as the man reserves," they will accept the home with its problems as a matter of course. The woman will regard it as the man reserves, but also as a place which commands, even in work hours, an outlook when that happy day arrives the signt tent of the Horizon of the Angloing pavilion. The interest to Whill find in the adjoining pavilion which is in itself larger than the main fent of Terror"; the will find in the adjoining pavilion which is in itself larger than the main tent of authorized the "Two Whirls of Terror"; the will find in the adjoining pavilion which is in itself larger than the main tent of any other circus, the most complete evolection of wild animals in the discover or of the almost extinct giraffe, and the only bi-horned rhinoceros in America, and the conty of the stables he will discover over The horizon of women as it appears to the "Two Whirls of Terror"; the "Two Whirls of Terror" in the main tent of any other circus, the most complete could in the almost ex
