OF CONTROL TRIES ITS PRENTICE HAND.

At One Sitting it Lops Off \$20,000-Lav Cinder Tracks and Bridle Paths To Encourage More Manufactures.

The Board of Control met yesterday afternoon, Ald. McMurrich presiding in the absence of the Mayor. The Some discussion ensued in reference to the propriety of taking up the estimates in the absence of the Mayor. The other members came to the conclusion, that they could get along without him and commenced the work of pruning the estimates. A deputation representing several of the charitable was informed that the not be taken up until a future meet-

The board decided to take up items classed as uncontrollable. The first item to suffer was that for Administration of Justice, which was reduced by \$10,200, of which sum \$10,000 was taken off the city's proportion of Jury and Court House, and \$200 off the item for examination and \$200 off the item for examination and the Island Park. Ald. Hallam, the chairman, strongly supported the idea as a boon to the children. The Park Commissioner estimated the cost of constructing a 9-foot path at \$300.

Ald. Boustead objected to the disfigurement of the Island Park, and suggested as a better scheme that a path be constructed from Hanlan's Point to Island Park along the lake from Lalso that a cinder path be constructed next the fence at the Exhibition Park race track. off the item for contingencies in the

The cost of general expenditure for the jall was placed at \$10,290, and the salaries of the officials at \$13,410. The board struck \$1000 off the item for general expenditure.

The resolution of the Horticultural Library Estimates Reduced,

The Public Library asked for \$34-, 963, including \$7687 for books, \$1808 for binding same, and \$2180 for newspapers and magazines. Ald. Lamb wished information in reference to the cost of the branch libraries. He had heard some of the members of heard some of the members of the Library Board express the opin-ion that the branches could be closed if the council did not object; he exif the council did not object; he ex-fence between the Queen's Park and pressed the opinion that the cost per subscriber of the branch libraries was will be placed in the estimates to cover

When the item of \$485,549 for the hools was reached, Ald.Lamb Public schools was reached, Ald.Lamb objected to the increase in the item of real states paid. The teachers should, he said, be well paid, but at the same time, he believed that it was time these increases in salaries should be stopped. He thought the teachers should be contented to do without their in-

Huaicipal Notes.

The residents at Kew Beach are agitating for the electric lights on Queen-street eastward as far as Lee-evenue, lighted at nights. The ususom is not to commence lighting the streets in this locality until June 1, but owing to the warm weather, the summer camping season is very much earlier than usual. Chairman Saunders of the Board of Works has promised to inspect a new fender for the street cars, which Mr. Lewis E. Dubols, the inventor, is willing to test in actual use upon himself. About 80 stits against the city for a sums varying from \$2000 downward, are disposed of by the judgment in the city's favor in the test. pediar's case.
