that I believed I was absolutely and permanently cured by Dodd's Klu-ney Pills after the doctors had given me up to die.

3. That I am new absolutely certain that Dodd's Kidney Pills and nothing else saved my life, and I hereby unhestratingly reaffirm every statement made in my declaration made before Mr. Blanchet on Feb. 16, 1895.

Ar. Blanchet on Feb. 18, 1849.

4. That I have never since that data had the slightest symptom of the return of the Bright's Disease or any Kidney Trouble, having enjoyed unremitting good health and having worked streatly and without information for steadily and without interruption time at my regular employment as A printer every working day from the day Dodd's Kidney Pills sent me back to work to the date of this declaration.

5. That in evidence of our grafftude to Dodd's Kidney Pills for having saved my life, my wife and I have christened a little daughter, born to us in December of 1896, by the name of "Dodds."

6. That I have recommended Dodd's Kidney Pills to many people in this city and elsewhere, who having heard of my wonderful escape from death by their use have called on me or written to me enquiring about them; and having followed many of these cases closely, I know of no case where they have been used according to directions that has not been cured, and I know posttively of my own personal knowledge of several extreme cases where Dodd's Kidney Pills have effected satisfactory

and permanent cures,
And I make this solemn declaration,
conscientiously believing it to be true
and knowing that it is of the same
force and effect as if made under oath
and by virtue of "The Canada Evidence
Act. 1893."
