THAW CALM UNDER LUNACY GRILL

Acts Rationally When Given Prolonged Examination.

TESTIMONY OF ALIENST BARRED

Prosecution Claims Unfairly Blocked in Effort to Prove Prisoner Insane.

Harbridge, "and we supposed he would surely be here."

A messenger was sent to summon the doctor, but he could not be found.

"Why has he absented himself?" inquired Mr. McCrory, looking from one lawyer to another. No answer was forthcoming, and the chairman directed that the doctor be subpoenaed for next Tuesday. He reminded District Attorney Jerome that once he made the suggestion in the court room as to Thaw's present sanity, the burden of proof rests with him. Mr. Jerome said that when his seven experts are allowed to testify he will submit to them a group of facts upon which they will give a scientific opinion that Thaw is now of unsound mind.

ROUMANIAN SITUATION

Revolt Being Rapidly Crushed and Peasants' Burdens Eased.

Bucharest, March 31.—It is semi-officially stated that in many districts the peasants are repairing the damage done to property and restoring stolen goods to their owners.

Disturbances are reported from Putna, in Moldavia, and many cases of plundering, incendiarism and armed conflict in Walachia.

A number of peasants have been killed or wounded by troops at Langau, and Patulea. At Galicia in the center of the disturbed area all the ring-leaders have been captured.

The commandant of the army and the general are in full revolt and troops have been dispatched there. All is quiet at Vlascha and Roman.

According to today's official report, there was no fresh rioting anywhere in the districts in which there were outbreaks, murders, pillage and incendiarism by peasants last week. The disorders were vigorously suppressed, and the revolt stopped at all points, and troops are now following up bands of plunderers who the report declares, will soon be captured.

In the districts in which the peasants are examining their demands and arguing terms with land-owners with the object of paying the country. The situation throughout Roumania, the report concludes, is greatly improved.

CAMORRIST HEADS CAUGHT

The Prisons of Naples Full to Overflowing With Them.

Rome, March 29.—Some 500 Camorrist ring-leaders have been arrested at Naples as the result of the determined crusade undertaken by the Government against secret criminal societies. The Neapolitan prisons are full to overflowing, as many as 200 cells being lodged in a single cell. On this account, and because the Camorristas among themselves and regular communication with comrades outside by means of their own code, the authorities have now begun to transfer them to different provincial prisons of detention till the trial is fixed, which probably will not begin for some time.

The authorities have been obliged to transfer to Capri Signor Capozzelli, the gallant marshal of carabinieri, who superintended the military police raid, lest his repeatedly threatened assassination should be realized, and thereby increase the difficulties of an already grave situation.

Despite elaborate precautions taken to effect his capture, Erricone, the notorious supreme chief of the Naples Camorra, has succeeded in getting clear away to the United States, whence he dispatched a message to his pursuers, saying he had merely taken a sea voyage at the doctor's orders, and his absence from the post was only temporary. Erricone managed to board an emigrant liner in the disguise of a coal-heaver, and crossed the Atlantic as a stowaway.

QUAKE IN TURKEY

Missionary Cables of Grave Distress at Bitlis.

New York, March 31.—The following dispatch was received yesterday by the Christian Herald from the Rev. Mr. Peet, representative of the American board of foreign missions at Constantinople:

"Joseph, New York.—Severe earthquake at Bitlis. Most houses damaged. American and their people in no way rendered homeless. Snow 25 feet deep. If possible cable relief. (Signed) Peet."

Bitlis is a city of Eastern Turkey, near Lake Van. The population is 50,000, consisting of Kurds, Armenians and Turks. There is a mission station of the American board, with several missionaries and a large number of schools and outstations and several churches. It is suggested that the great depth of snow may have been caused by aavalanche following the earthquake.

WINDY CITY'S BIG BATTLE

Both Republicans and Democrats Claim Victory for Tomorrow.

Chicago, March 31.—Campaign managers have issued formal statements of the estimated vote for the leading candidates for mayor to be elected on Tuesday. Postmaster Fred A. Busse, Republican, and Mayor Edward P. Dunne, Democrat, are both promised the office of mayor for the next four years by them.

James H. Haddock, chairman of the Republican county central committee, says: "All indications are not favorable for the election of Fred A. Busse as mayor and all other candidates on the Republican ticket. It is my judgment that the vote of the city will be in the neighborhood of 345,000. On that basis I estimate the majority vote will be divided as follows: Busse 135,000, Dunne 140,000, Socialists and Prohibitionists 30,000. This would give Busse a plurality of 35,000 over Dunne, which is conservative."

W. L. O'Connell, chairman of the Democratic county central committee, said Mayor Dunne will be re-elected by from 25,000 to 30,000 plurality.

MOTHER GRAVES' Worm Exterminator does not require the help of any purgative medicine to complete the cure. Give it a trial and be convinced.
