

LONDON BALL TEAM WILL BE COMPLETE IN ANOTHER WEEK

Catcher Eddie Kelly Signed
by Manager Joe Keenan
For London.

Manager Joe W. Keenan announced at a meeting that within one week he will have the London baseball team completed. With the exception of the pitching staff, the team is now complete. "Jo-Jo" intends to sign several first-class hurlers within the next week.

A contract was received yesterday from Catcher Eddie Kelly of Marcellus, N. Y. He has a fine record and is expected to make a good showing behind the bat.

The players will begin to report for training on Monday, April 22.

Manager Keenan has a line on a number of players who have returned recently with the U. S. A. army, and he expects to be discharged shortly.

The grandstand at Tecumseh Park, being repaired. A new double entrance to the park will be built. The grandstand will be brought 25 feet closer to the field so the fans can get a better view of the game.

Exhibition games will begin early in May. Several first-class teams will be brought here to play the locals, and the fans will have a chance to see the new Michigan-Ontario League team in action.

TORONTO LEAFS HELD WORKOUT YESTERDAY

Several Players Reported to
Manager George
Gibson.

TORONTO, April 11.—The weather was dark and dull this morning, but the Toronto Leafs held their workout on the island for their first workout of the season. Manager Gibson went out to the Exhibition grounds earlier in the morning to make arrangements for building to be used by the Toronto Leafs in case of rain. The latest arrivals include Eddie Oslaw, Fred Scheik, Pitcher Quinn, Outfielder

MUTT AND JEFF.—Looks Like Jeff Was Spoofing Sir Sidney A gain.

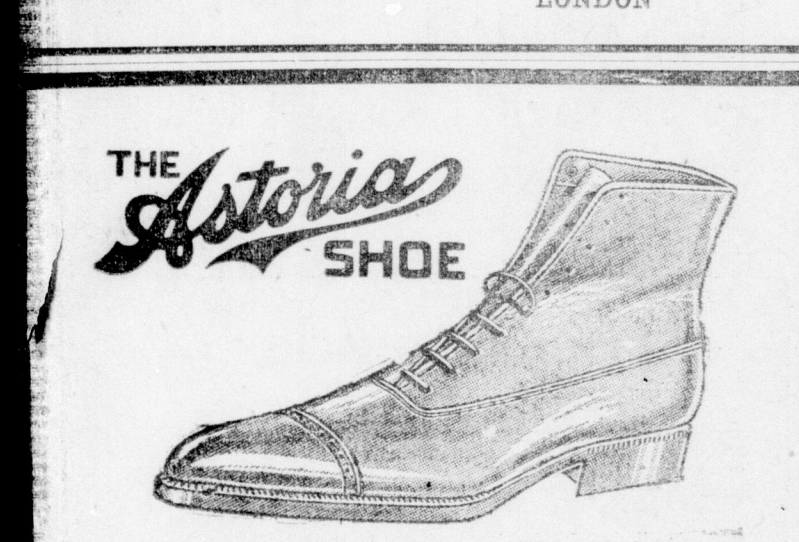

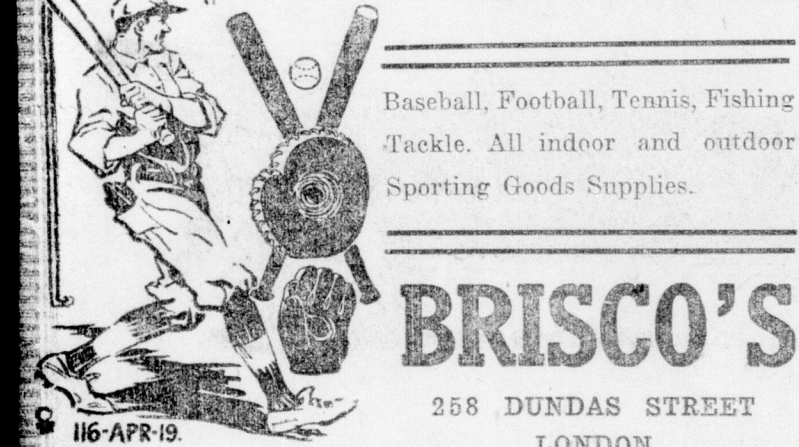

Brockenridge and Infielder Buscoe. Oslaw, the first-sacker, who injured his foot just as the Leafs were entering their last desperate fight for the pennant last season, reports that the injured foot is fully recovered, and that he is in excellent shape.

Altogether, the big right-hander, who was loaned to the Hamilton club last season, should be good this year. Quinn, the left-hand heavy, who bats from the right, is also here, and comes highly recommended by the same man who sent Tommy Thompson to Toronto. Outfielder Breckenridge was formerly with Richmond, and was recommended to the Toronto management by Bunny Beane, who saw him perform in a steel lounge. Buscoe is the Cleveland semi-pro. Infielder.

GALT A. A. A. TO ORGANIZE CITY BASEBALL LEAGUE

GALT, April 11.—A city baseball league is to be organized under the auspices of G. A. A. A., and it is expected six teams will be entered. In addition Galt will be represented by a team in the inter-county league.

CONNIE MACK EXPECTS TO HAVE A WINNING TEAM THIS SEASON

Many Star Players on Phila-
delphia Line-Up—Plenty
of Material.

PHILADELPHIA, April 10.—In the opinion of baseball sharps who have been watching the Athletics in practice stunts at Shibe Park, Connie Mack is building up another winning ball club. Ever since the veteran manager disrupted his champions in 1915 by selling Eddie Collins, Jack Barry, Frank Baker and other stars he has vainly tried to produce another first-class combination. But this year Mack has more and better material with which to work and already his team begins to look formidable in every department.

fingered Keefe, Grevel, Kinney, a promise, Baker, a southpaw, and Gull-dan. Three catchers, Perkins, McAvoy and Berger, are handling the staff, and Perkins looks like one of the best receivers in the American League. Mack is well satisfied with the players who will fill the position outside of the batteries. When all of these men have reported Mr. McMillen, the new manager, should have no question of doubt, with the other regulars rendering valuable aid in slugging the enemy pitchers. It is well, therefore, to keep your eyes on the new Mack men.

world's series, is the leading utility in-
fielder. In the Athletics' outfield, Mack will have Kopp, Walker and Roth, all heavy hitters. In fact, the team will be stronger in stick work than at any time since the days of Collins, Baker, Barry, Melnis, Sprunk, Schang and others. Burns, Walker, Roth and Bates should bat in the 300 class beyond the question of doubt, with the other regulars rendering valuable aid in slugging the enemy pitchers. It is well, therefore, to keep your eyes on the new Mack men.

WOODSTOCK, April 11.—The London Y.M.C.A. Junior basketball played a brand of ball on the college gymnasium floor here tonight, defeating the students' outfit by a score of 43-17. The visitors had the weight which gave them a decided advantage. However, there was no doubt of the outcome, as Coach Taylor's boys were working fine and showed brilliant combination and speed in shooting ability. McLean was the best man on the floor and drew away off the basket all through two periods. Cline was another bright shining light for London. The college lads depended mostly on independent efforts in fact they were so closely watched that they could not get their "combs" moving. They had many chances at the basket, but they were not accurate. The half time was 23-8. Stibbs played well for the college. The line-up and points: Woodstock College: Morrison, left forward, 4; Stibbs, right forward, 10; Cline, center, 2; Dennum, left guard, 0; Rodriguez, right guard, 1. Referee: McLean of Woodstock.
