

the right to visit and examine the pharmacy at any time and to suggest whatever it may deem advisable for the good of the Hospital.

In the interest of science, the attending physicians and surgeons, or in their absence, the house-surgeons, have the right of performing a *post mortem* examination on all patients dying in the public wards of the Hospital.

* * *

As it has been previously stated, the management, control and regulation of the corporation of the Notre-Dame Hospital are intrusted to the *Board of Management*.

This Board is composed of a priest of the Seminary of St. Sulpice, appointed annually by the said Seminary; of not more than six members elected annually by the Medical Board (three at least of whom shall be members of the said medical board), and of not more than six members of the Board of Governors, annually elected by that body.

The Board of Management report to the Board of Governors every third month, eight days at least before the quarterly meeting of the said Board.

The officers of the Board of Management are a President, a Treasurer and a Secretary.

The Treasurer has charge of all the moneys, debentures and titles of property belonging to the corporation; he receives all the subscriptions, donations, legacies and other sums paid to the institution.

Eight days before the July quarterly meeting of the Board of Governors, the Treasurer must give to the Secretary of the said Board, a faithful and minute statement of all the sums received and paid by him during the year.

The Board of Management meets once a week, every Thursday, at 4 P. M.

* * *

The hospital is open to all the needy sick, *without any distinction of race or creed*.

The admission of patients is left entirely to the Medical Board. *However, no patient recognized as incurable or suffering from any contagious disease or mental derangement, can be admitted.* The same may be said of any woman in advanced pregnancy, unless she have met with some accident endangering her life and necessitating immediate attendance.
