

DR. THOMAS' ELECTRIC OIL.

Worth Its Weight in Gold.

THE people of this country have spoken: They declare by their patronage of DR. THOMAS' ELECTRIC OIL, that they believe it to be an article of genuine merit. Testimonials constantly pour in demonstrating its superlative efficacy, in a manner as pleasing to its proprietors as it must be convincing to those who read in the public prints those evidences of its popularity and genuine worth. Never was there a remedy which received ampler or more satisfactory endorsement; never was there one which better deserved it. It is A TRIED REMEDY. Experience has demonstrated that it not only relieves but eradicates the most obstinate Coughs, Sore Throat of a malignant type, Catarrh of long standing, Rheumatism, Neuralgia, Stiffness and Lameness of Back, Muscles and Joints, Piles and Kidney troubles, external hurts and sores, and other bodily troubles, as well as many of the disorders peculiar to Horses and Cattle. That it cures in every instance is not pretended, but that, if systematically used, and the malady susceptible of being remedied it will remedy it, is a fact amply established.

ENTERING THE SYSTEM through the pores, when applied externally to relieve pain and inflammation, DR. THOMAS' ELECTRIC OIL relaxes and soothes the stiffened, swollen and irritated Ligaments, or Rheumatic Joints, and promptly checks the pain. Taken internally, it remedies disorders of the Respiratory Organs, Bowels, Liver and Kidneys.

This matchless compound not only possesses remedial efficacy of the highest order, but, inasmuch as it contains no alcohol, its influence is not weakened by evaporation, which is the case with a great many oils of doubtful efficacy, which have an alcoholic basis.

Ease by day and repose by night are enjoyed by those who are wise enough to apply DR. THOMAS' ELECTRIC OIL to their aching muscles and joints. A quantity easily held in the palm of the hand is often enough to relieve the most exquisite pain.

Those of the gentler sex who have experienced the pain and annoyance caused by Enlarged Nipples and Inflamed Breasts, can well appreciate the value of a remedy which removes the trouble. This is precisely what DR. THOMAS' ELECTRIC OIL does.

WHEN A CHILD is suddenly attacked and threatened with suffocation by croup, DR. THOMAS' ELECTRIC OIL is precisely the medicine for the emergency, since it is prompt as well as efficient. Every household should be provided with it, as it is a quick antidote for pain, as well as a specific for the above and other complaints.

Just think of it—you can relieve the twinges of Rheumatism, or the most painful attack of Neuralgia—you can check a Cough, and heal bruised or broken skin, with a bottle of *Dr. Thomas' Electric Oil*, costing only 25 cents.

HOW IT SELLS.—Mr. J. D. Burk, Amherstburg, writes: "Ship order for Dr. Thomas' Electric Oil at once. It is the best selling medicine we keep, and I am entirely out."

Mr. James Aylesworth, Tamworth, Ont., writes: "In my experience of over twenty-five years, I have not known a more popular remedy, or one that has stuck better."

Mr. D. Sullivan, Malcom, Ont., writes: "I have been selling Dr. Thomas' Electric Oil for some years, and have no hesitation in saying that it has given better satisfaction than any other medicine I have ever sold. I consider it the only patent medicine that cures more than it is recommended to cure."

A DETECTIVE'S LEAP.

Mr. Thomas Flynn, Chief Detective Grand Trunk Railroad, says: "Business called me a short time ago to a village near Kingston. While the train was in motion I jumped off; in so doing I alighted on the sloping part of the ballast, where the track had been raised, with such force as to severely sprain my knee. I was driven to Kingston, and had to be assisted to my room. I immediately procured a bottle of Dr. Thomas' Electric Oil, and although my leg was so badly swollen that I could not bend my knee, after three applications of this Oil I was out of bed and walked to the station. This was on Saturday afternoon, and on Monday I was able to attend to my business as usual. I also used this wonderful Oil for Sore Throat, and it cured it."

CATARRH.—A prominent minister of the city of Toronto had Catarrh for a long time and went through a thorough course of medicine by skilful city physicians, but the disease was so deeply rooted that they were unable to cure it. A druggist advised him to try Dr. Thomas' Electric Oil which he did, by putting a few drops on cotton batting and placing it in the nostril. He faithfully persevered with this treatment, when, to his own and his physician's astonishment, he was cured. We don't think there is any medicine that is as efficacious for this disease as Dr. Thomas' Electric Oil.
