PEACE CONGRESS IN LONDON.
From the opening Address of Sir David Brewster.
I have received from France an olive branch, the symbol of peace, with a request that I should wear it on this occasion.

THE POOR BOY.
Don't be ashamed, my lad, if you have a patch on your elbow. It speaks well for your industrious mother.

OXEN vs. HORSES.
It is an old maxim that oxen are better than horses for farm work, that they are kept cheaper and are not liable to so many diseases as the horse—that oxen are more patient and can live better on grass and the nature of the farm, and that with good usage they will be continually growing for meat.

Beef-stealing in Australia.
Honey is a grateful article of food with the natives, and their mode of finding it is very curious. The bee is very like the common house fly, but is a good deal smaller; and it has no sting, for I have frequently had numbers of them in my mouth mixed up with the honey I was eating.

Astonishing Efficacy
OF
HOLLOWAY'S PILLS
And OINTMENT.
EXTRAORDINARY CURES BY
Holloway's Ointment.
CURE OF A DESPERATE CASE OF RHEUMATISM.
Copy of a Letter from Mr. Joseph Giddon, Jun., a Farmer, East Kent, near Spalding, Lincolnshire, 8th April, 1846.

Amputation of Two Legs Prevented.
Extract of a Letter dated Roscomon, February 20th, 1847, from the highly respectable Proprietor of the "Holloway's Pills."
To Professor HOLLOWAY.
Sir—I have the gratification to announce to you a most wonderful cure wrought upon myself, by the use of your Ointment and Pills. I had a severe attack of Rheumatism in my right foot, which extended along my ankle, and was attended with swelling and inflammation to an alarming degree, insomuch that I was unable to move without the use of crutches. I consulted a very eminent Physician, besides other Medical men, but to no purpose. I tried your Ointment and Pills, when, strange to say, in less than two weeks the swelling and inflammation subsided to such a degree that I was enabled to pursue my daily avocations, to the utter surprise of my medical men, those who were acquainted with my case, and those who were not. I and my family well know here, as my father holds his farm under the Rev. J. Spence, Rector of our Parish.

The Great Cough Remedy.
BLISS'S COMPOUND
COD LIVER OIL CANDY,
(The Original and Only Genuine.)
Prepared only by DR. BLISS, (Sole Proprietor) Drug and Apothecary, Springfield, Mass.
A New and Effective Remedy for Coughs, Common Cold, Hoarseness, Bronchitis, Catarrh, Tracheitis, and all Disorders of the Lungs, and Bronchial Affections.
THE wonderful curative powers of Cod Liver Oil in general use, and its medicinal virtues, have been clearly demonstrated by the experience of the most distinguished physicians of Europe and America, during the last two or three years. It has been used in all parts of this country with great success, by the advice of the most eminent physicians. Dr. Williams, an eminent English Physician, asserts, that during the last two and a half years, he has prepared more than 250 cases of Consumption, where the Cod Liver Oil was used, and that, in 200 of these, the use of the Oil was followed by marked and unequalled improvement, ranging in degree from the mitigation of the symptoms up to a complete cure to apparent health. Some of these cases were all the medicinal virtues of Pure Cod Liver Oil, and were cured almost miraculously.
Since the introduction of Cod Liver Oil into general use, as a desideratum has been to furnish an article with the medicinal virtues of Pure Cod Liver Oil, but free from its disagreeable odor and taste, which has rendered it a "spoiled food" to thousands of persons who are suffering under severe affections of the throat and lungs. After a series of experiments, it has been found that the medicinal virtues of Pure Cod Liver Oil, when combined with other well selected curatives, in the form of a new and agreeable CANDY, possessing and preserving all the medicinal virtues of Pure Cod Liver Oil, without its disagreeable odor and taste, is the most delicate and palatable form in which it can be administered to an infant without difficulty.
Sole Proprietor, J. G. SHARP, each sold by S. L. TILLEY, King street, St. John Dec. 1.
