

REPORT OF THE COMMISSION

FOR THE YEAR 1911

The annual business of the Commission for the year 1911 was completed on December 31, 1911, and the results of its work are reported in this report.

The Commission has during the year 1911, as in previous years, been engaged in the study of the various problems connected with the administration of the Government, and has endeavored to secure the most efficient and economical management of the public affairs.

During the year 1911, the Commission has held several public hearings, and has received many suggestions from the public, which have been carefully considered.

The Commission has also held several public hearings, and has received many suggestions from the public, which have been carefully considered.

The Commission has also held several public hearings, and has received many suggestions from the public, which have been carefully considered.
