St. Peter's League

The game in St. Peter's League last evening between the Shamrocks and Maples was devoid of interest as it was too much one sided. The Maples played a loose game and in addition to wild throwing and errors made several bone head plays. It was no fault of Manager Johnny O'Connor for he did his best too make his team brace up, but to no avail make his team brace up, but to no avail

and as a result the game ended 10 to 3. On the other hand some of the Shamrocks did not take the game seri-ously and all combined in killing the This evening the Thistles will play the Shamrocks. The box score of last evening's game follows:
