CANADA WILL GIVE 250,000 SOLDIERS

So Far 173,000 Have Enlisted—Fifteen Recruits Here Yesterday—Recruiting Meeting Produces Results

Up to yesterday, reports at Ottawa showed that the number of recruits enlisted in Canada was 173,000. An official call is to be made increasing this number to 250,000 by next spring. Of the men in arms, 101,500 have gone overseas.

Fifteen men signed the colors in St. John yesterday, making 185 in two days. They were George Sudsaber, Leonard and William Moore, James F. Scourah, George Ogston, Harold K. Hickman, Guy Paries, John Jessa, Albert E. Parks, William Alexander, Robert C. Phillips, Harold J. Aherley, Nelson Manning, Leonard F. Osborne, Bertley Goodine. Many of these volunteered last night at another successful meeting in the Queen's rink at which John Keefe presided, and stirring addresses were given by Rev. R. F. McKim, and Sergt. Knight.

Major Percy Guthrie of Fredericton was accorded a hearty welcome in Woodstock yesterday. He will deliver a patriotic address there today.

Stanley Chambers, a young Canadian soldier who enlisted in the west with the 10th Battalion, is in the city today. He lost his sight in the fierce fighting at Ypres and after having been treated in hospital, was invalided home. In a miraculous way his sight was restored. When the Hesperian sank he was aboard, and the shock gave him back his eyesight. He gave a slight address here yesterday at the Fisher building, German street, where an exhibit of war trophies which he helped secure, was being made.

Among the recruits with the 8th battery are Donald and Norman Macaulay, sons of B. R. Macaulay, and Albert,

son of D. J. Brown, both of Macaulay Brothers & Company.

Patrick Floyd who has joined the siege battery, was honored by his associates on the staff of Ungar's Laundry yesterday, when they presented a gold watch to him. H. Golding made the presentation in behalf of the members.

JAMES J. HILL GIVES HARVARD SUM OF \$125,000

Boston, Oct. 30—Gifts to Harvard University amounting to \$141,847.50, are announced. The largest single item was the gift of \$125,000 from James J. Hill, which is to be added to the principal of the James J. Hill professorship.

BLUBBER AND SEAL FOR THE HUNGRY GERMANS

Berlin, Oct. 30—The Lokal Anzeiger is advocating the use of "polar meat" to relieve the scarcity of meat in Germany during the war and afterwards. The newspaper quotes Nansen's "Farthest North," in which the explorer tells how he enjoyed the oyster-like deliciousness of blubber and whale meat.

A popular restaurant is now billing blubber, boiled or baked, and it is suggested that if whale pleases the public, seal meat will be added.

The German papers state that the provisioning of Belgium has been temporarily guaranteed for a year between the government-general and the ministers of the United States, Spain and Holland and the British government. It is asserted that England, after long negotiations, agreed to hinder in no way the supplying of the Belgian civil population with food by sea until the harvest of 1916, the German government undertaking in return to hand over the entire 1916 Belgian grain crop to the Belgians.

Two New York women have for nine years contributed \$1,000 each year for the aid of wives and children of disabled life-savers and for widows of those who have lost their lives in the service. The women are known only to Supt. I. M. Kimball of Washington, who receives the check. The 19th check has just been sent for Christmas distribution.

A Suggestion for Efficient Economy

Throughout the Empire has gone the call for personal economy to meet the extraordinary demands of the war. Here is a timely suggestion to men who have been spending from \$25.00 to \$75.00 a year on barber shop shaves:

Invest five dollars in a **GILLETTE Safety Razor** and shave yourself at home.

The saving will not be limited to money—the time you'll gain will be even more important, for the morning shave with the Gillette need not take more than five minutes.

And the comfort rivals the economy. Though you never shaved yourself before, you'll have no trouble in getting a clean, cool, safe shave with the Gillette Safety Razor. No more waiting your turn in the chair—no more breaks in the morning's work—no more dependence on unknown barbers when travelling, for the Gillette works anywhere.

Truly, the man with a Gillette is an efficient economist. Get one yourself to-day. "Bulldog", "Aristocrat" or Standard Sets cost \$5.—Pocket Editions \$5. to \$6.—Combination Sets \$6.50 up. Your Hardware Dealer or Jeweler will show you an assortment.
