SHE SUFFERED FIVE YEARS

Finally Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Key West, Fla.—"For five years I suffered from irregularities, with terrible pains and an awful weakness in my back. The doctor gave me different medicines but they did me no good. A friend asked me to try Lydia E. Pinkham's Vegetable Compound and I found it to be the best medicine I ever tried because it made me well, and I can now do my housework. I am telling my friends about it."—Mrs. J. M. CAMUS, 726 Caroline St., Key West, Florida.

Many women at some period in their life suffer from ailments peculiar to their sex and which in most cases may be readily relieved by this famous root and herb medicine, Lydia E. Pinkham's Vegetable Compound, just as Mrs. Camus found it helped her after suffering for years and trying everything else in vain.

If you have any annoying symptoms you fail to understand, write Lydia E. Pinkham Medicine Co., Lynn, Mass. The results of their 40 years experience in advising women on this subject is at your service.

GAS IN THE STOMACH IS DANGEROUS

Recommends Daily Use of Magnesia To Overcome Trouble. Caused by Fermenting Food and Acid Indigestion.

Gas and wind in the stomach accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."

Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sours, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.

It is the worst of folly to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any druggist a few ounces of Bisulphate of Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas and wind and blot right out of the body, sweeten the stomach, neutralize the excess acid and prevent its formation and there is no sourness or pain. Bisulphate of Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and the best form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.
