The Big Value in FLOUR

OF all the products of the oven, there is none so important as a good loaf of bread. This test of "REGAL" has established its reputation as the big value in flour.

THE ST. LAWRENCE FLOUR MILLS CO.

MONTREAL

A servant applied to her mistress for leave to visit her home, which was some distance away, as all the family were desirous of meeting to celebrate the golden wedding of their parents. Permission was given and on Monday the maid returned.

"Well, Ellen," said her mistress, "how did you get on?"

"Oh, splendidly, ma'am," was the reply, "and mother was so grateful to you for letting me go."

"Yes, and your father, what did he say?"

"Lor bless you, ma'am," answered the girl; "he wasn't there; he died twenty years ago."
