"ORANGE LILY SAVED MY LIFE"

These words of expressions bearing the same meaning are contained in hundreds of the letters I have received during the past year. Many were from women who had suffered agonies from falling of womb, others from women who had escaped dangerous surgical operations as the tumors and ulcers had been removed by the action of Orange Lily and others who had suffered from suppressed menstruation, leucorrhoea, painful periods, etc. For all these and the other troubles known in general as Women's Disorders, Orange Lily furnishes a positive scientific, never-failing cure. It is applied direct to the suffering organs and its operation is such as a trial actually proves its merit. I honestly offer to send absolutely free, a box worth \$10, sufficient for ten days' treatment. Write for it. Enclose 3 stamps, MRS. FRANCES E. CURRAN, Windsor, Ont.

Sinclair-Wheaton.
An interesting event of which many St. John people will read with pleasure took place in Moose Jaw on Tuesday last, when Fred D. Sinclair, formerly of this city, was married to Miss Ethel B. Wheaton, daughter of J. A. Wheaton, also of this city. Mr. Sinclair made his home in the west for several years, and Miss Wheaton left her some days ago to join her intended in Moose Jaw. Before leaving Miss Wheaton was the recipient of many beautiful gifts from her many friends, and among the gifts was included \$150 in gold. Miss Wheaton was married in a very beautiful traveling suit of brown broadcloth, with hat to match. After the ceremony, which was conducted by the Rev. C. R. Chegwin, of Moose Jaw, the happy couple continued their journey to Kerbert, Saskatchewan, where for the present they will reside.

Charles E. Farrand SECURES IMPORTANT POST
Manager for Gatlin Institute 3-Day Liqueur Cure.

Chas. E. Farrand, so long and favorably known in this city, and throughout the lower provinces, has been appointed manager for the local branch of the Gatlin Institute Co., the 3 Day Liqueur Cure.

This cure is backed by large capital and shrewd business men, who know that the cure is positively reliable, and only invest their money after careful investigation.

The company has been doing a very considerable business throughout the lower provinces for their home treatment, and also received numerous requests to open a branch in this section, and considering the successes they met from the business secured, it was decided to open a branch in St. John. The other branches in Canada today include Montreal and Toronto, where they have met with extraordinary success.

This company gives a written guarantee to each patient upon entering the Institute to take the cure, that they will effect a cure within 8 days or money is promptly refunded. There are on file in the offices of the company many thousands of written testimonials, and this cure which is the original 3 Day Liqueur Cure, is endorsed by physicians, bankers, lawyers, etc., and, in fact, those cured include people in all walks of life.

Don't Waste Half a Day Washing Your Hair!
USE ELMER'S DRY SHAMPOO
Will clean your hair thoroughly, leave it soft, silky, glossy and full of vitality, and do it in fifteen minutes. Washing leaves the hair dry, hard, brittle, metallic and difficult to manage. It takes half a day to do it right, and costs much labor to dry it properly and untangle the snarls caused by scrubbing, toweling, rubbing and fanning. Save your hair, your temper and your time by writing to ELMER'S HOME PRODUCT CO., Windsor, Ont., for full, free particulars about this most delightful preparation.

English Beauty Tells Complexion Secrets
("Elise" in American Home).
Through a fortunate meeting with an English lady, noted for her dazzling complexion, I recently learned the full meaning of the old adage, "Beauty is but skin deep." She taught me how to remove my muddy old skin, revealing the young and beautiful skin underneath. The process is so simple, harmless and inexpensive, I'm sure you'll be glad to know about it. Just get an ounce of ordinary mercerized wax at any drug store and apply nightly, like cold cream, for a week or so. Every morning in washing off the wax, tiny particles of worn-out cuticle come off, too. The action is so gentle and gradual there's no discomfort. It's a wonderful treatment, as it not only peels off the faded or discolored skin, but all its defects, as chaps, roughness, freckles, pimples, blotches, blackheads.

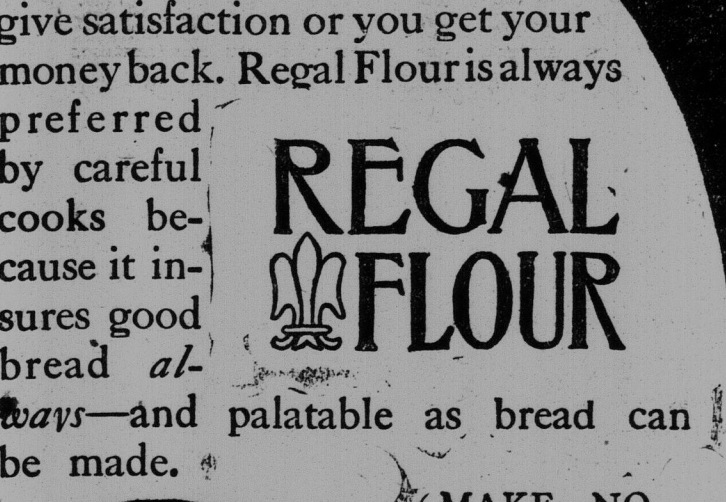

I am indebted to the same lady for a remarkable wrinkle-removing formula. One ounce powdered saxolite is dissolved in a half pint with hazel. Used as a face wash, this is so effective that just one application causes the finer lines to disappear, and soon even the deepest ones go.
