## DUKE OF FIFE IS DEAD

Was Brother-in-law of King George—  
A Distinguished Voyage

Arsenal, Upper Egypt, Jan. 29.—The Duke of Fife died at 6 o'clock this evening. The Duke of Fife who has just died of pleurisy and congestion at Arsenal, Upper Egypt, was a son-in-law of the late King Edward, whose daughter, the Princess Louise Victoria, Alexandra Dargmar, he married in 1889. He succeeded his father as sixth Earl of Fife in 1879 and was created Duke of Fife in 1890.

He was born Nov. 10, 1840, and was educated at Eton. He afterwards took a great interest in business and was a partner in the London banking firm of Sir Samuel Scott & Company, as well as vice-president of the British South African Company.

He was a colonel of volunteers and deputy lieutenant of the Scottish Counties of Aberdeen and Banff. He was a Liberal member of parliament from 1874 to 1879. He leaves two daughters. The Duke of Fife's illness started when he attended the funeral of the late King George at Khartoum, and he was taken to the hospital at Port Sudan. The Duke's death will cause the cancellation of all projected arrangements at Portsmouth and London for the reception of King George and Queen Mary on their return from India. It is probable that all the festivities will be shorn of military display and state ceremonial. The court functions in the early spring also will be modified.

## PROVINCIAL POLITICS

Premier Fleming and Hon. John Morley on Platform—No Party Lines The Plea

Newcastle, N. B., Jan. 29.—Premier Fleming and Chief Commissioner Morley met a representative gathering of their followers in town hall this afternoon. Ald. Clark in the chair, with George McDade as secretary.

Premier Fleming expressed a desire to have the local government independent of federal issues. Provincial interests should be paramount. He would accept support from all who favored the provincial government asking no questions as to their federal affiliations. He said the province was in line for great development. The St. John Valley Railway and Albert County shale industry would cause the expenditure of \$25,000,000. New Brunswick would develop as fast as the west.

Hon. Mr. Morley, D. P. McLellan and T. W. Flett spoke along similar lines. W. H. Byles, endorsed by Ald. T. W. Butler, urged a new railway from Newcastle to Grand Falls. Ald. Butler spoke in glowing terms of this province's agricultural capabilities.

J. M. Falconer wanted more industries established. T. W. Flett asked why wood for pulp mills should pay more stumpage than other lumber of the same quality. The premier said it would be rectified. Messrs. Flett and J. W. Marceau enquired about bridge matters. The chief commissioner said that soundings had been taken and he would recommend to the government a new bridge between Newcastle and Nelson to take the place of the present bridge over the Southwest.

Mr. Morley highly complimented Premier Fleming and Hon. Mr. Hagen and urged the early holding of a local government convention in this county to line up for emergencies.

Messrs. Bette, Marceau, Weldon, O'Brien, of Rogersville, and Philip McIntyre were appointed a committee to enquire into the advisability of holding a convention. The meeting adopted their report and voted to hold a convention here on Feb. 15 at 3 o'clock.

The premier then outlined the government's policy, which favored developing of the lumber industry, building the Valley Railway, encouraging mining and other industries and demonstration orchards. The government, if any company bought land for an orchard, and planted trees, would take over and run said orchard free for six years and hand it back to the company ready to bear fruit. St. John, Moncton and Woodstock had taken the offer.

Ald. Butler said he would accept the Newcastle offer.

## THE FORESTRY CONVENTION

Ottawa, Jan. 30.—Gifford Pinchot, president of the American Conservation Association, and formerly chief forester of the United States, is to be the chief speaker at the Canadian Forestry convention here on Feb. 7 and 8. This gathering, in which the government shows its interest by allowing it to be held in the railway committee room of the parliament buildings; and to the delegates of which the railways have granted special rates, will be one of the most important of this nature ever held in Canada. It will be attended by cabinet ministers, parliamentary leaders, bankers, manufacturers, lumbermen, forest administrators, heads of universities and by the representatives of that new profession, forest engineers. The principal men interested in forestry in Canada, and many from the United States will attend. The subject discussed will be how to get the most out of Canada's forests today, while leaving them in the best shape for future production. A social function will be a banquet on Feb. 7, which prominent men from all over Canada have signified their intention of attending.

The Seed Growers' Association will meet in the same week, so that delegates to the Forestry Convention can take in the most important sessions of that body if they so desire.

## STEEL REVISION BILL PASSED

Washington, Jan. 29.—The steel revision bill reducing the duties of the Payne-Aldrich act from 25 to 30 per cent, passed the house late this afternoon. The Democrats had difficulty in shutting off a constant flow of amendments from the Republicans, but at 3:30 p. m. secured a record vote of the previous question. Then came another delay and another roll call when the Republicans moved to recommit the measure to await a report of the tariff board. The bill was passed by 210 to 109, twenty insurgent Republicans voting with the Democrats.

## Transforms Complexion; Wins Social Favors

"Had I been unable to transform my complexion so quickly, so completely, by an unique process, I had just retired of I never could have attended the Charity Ball." A certain social favorite, a picture of loveliness at the great event, told me this. "I had been much run down," she said. "When I beheld myself in the mirror after a night's trouble sleep, I saw I was becoming heavy-eyed and pale. I could not take, and attend the ball, the long rest my physician advised. A REMEDY was at the drugstore and use it as I would cold cream. I did—the result is apparent."

"In a week I had a new complexion. The wax took off the old skin, with its worry lines—so gradually, there was no discomfort. Now you see the fresh, bright underlining, with its youthful glow and expression." Saturday Evening Herald (Chicago).

## How to Make Better Cough Syrup than You Can Buy

A Family Supply, Saving \$2 and Fully Guaranteed.

Sixteen ounces of cough syrup—as much as you could buy for \$1.25—can easily be made at home. You will find nothing that takes hold of an estimate cough more quickly, usually ending it inside of 24 hours. Excellent, too, for croup, whooping cough, sore larynx, hoarseness and other throat troubles.

Mix two cups of granulated sugar with one cup of warm water, and stir for two minutes. Put 2½ ounces of Pinex (city cents' worth) in a 16-ounce bottle, then add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

This is just laxative enough to help cure a cough. Also stimulates the appetite, which is usually upset by a cough. The taste is pleasant.

The effect of pine and sugar syrup on the inflamed membranes is well known. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in quaiaccol and all the natural healing pine elements. Other preparations will not work in this formula.

The Pinex and Sugar Syrup formula is now used by thousands of housewives throughout the United States and Canada. The Pinex has been imitated, but the old successful formula has never been equaled.

A guarantee of absolute satisfaction or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Tux Co., Toronto, Ont.

## RECENT DEATHS

Word has reached the city of the death at Springfield (Mass.), on the 26th, of John Munn, for many years a leading foundryman in Holyoke (Mass.), a prominent captain of industry there, and formerly resident in this city where relatives are living today. Mr. Munn had attained the age of ninety-one, his death being merely a gradual decline due to his length of years. He possessed keen faculties to the end, and took an active interest in his community. He was a son of Donald Munn, who came to St. John many years ago from Dumfries, Scotland. His sisters were Mrs. W. H. Brown, mother of Mrs. J. N. Golding, St. John, and Mrs. Margaret Miles, wife of Captain John Miles. Mrs. Miles died in Chebucto (N.S.), four years ago. Mr. Munn served his time with the old firm of Harris, Allan & Co., in St. John, and after taking up residence in Massachusetts sprang into prominence in his line of trade. When Holyoke, the famous paper-making centre, was being built up, he did most of the ironwork for the canal and dam system which characterizes this city, work which involved large sums of money.

Eugene Munn, a prominent New England newspaper man, connected with the Springfield Union, is an only surviving child.

The death of Philo A. Northrup occurred at his home, Kingston, Kings county, Monday afternoon, after a brief illness. He was eighty-two years of age, a life long resident of Kingston and a man highly respected. He is survived by four sons, two daughters, and one sister.

The funeral will take place at Trinity church, Kingston, Thursday afternoon at 2 o'clock.

The death of Miss Euphemia Graham Hannah occurred in this city on Monday,

Jan. 29, at the residence of her sister, Mrs. Richard Olive, after an illness of four months. She is survived by two sisters, Mrs. Martha Davidson, of Long Coule (Alta.), and Mrs. Richard Olive of this city and six brothers, Charles, Thomas, Frederick, James and John of this city, and William of Mead, Spokane. The funeral is to take place this afternoon from the residence of Mrs. Olive, 4 Chubb street, the service commencing at 2:30 o'clock.

Robert Elkin, who passed away yesterday morning at his home, Cumberland Bay, Queens county, may well be described as an old resident. He was ninety-five years of age. He left Ireland when six weeks old, and he spent nearly all his life in Queens county. He was a man who was held in the highest esteem by all who knew him. For sixty years he was a deacon in the Baptist church. In politics he was a pronounced Liberal. Notwithstanding his great age he was active physically until four or five months ago, and his mental faculties were not impaired to the end. His wife died two months ago when she was eighty-nine years of age. Mr. Elkin is survived by three daughters, Mrs. John B. Watson, Cambridge, Queens county; Mrs. Silas Fenwick, East Somerville (Mass.), and Mrs. (Capt.) Wm. McLean, Arlington (Mass.), also by four sons, Ald. E. C. Elkin, St. John; G. C. Elkin, St. John; Howard Elkin, Bangor, and G. Ernest Elkin, on the farm at Cumberland Bay. The funeral will probably take place tomorrow.

The death of S. A. Northrup of Kingston, Kings county, occurred at his home there on Monday afternoon. He was eighty-two years of age. Four sons, two daughters and one sister survive.

Halifax, N. S., Jan. 29.—(Special)—The death occurred this afternoon of Captain Charles W. Sealey, inspector of steamboats. Captain Sealey was one of the best known mariners sailing out of this port,

and for years was with the Pickford Black lines. He was in his sixty-fourth year.

James Beers of Emerson, N. B., at his home there on Sunday last. He was sixty-nine years of age. His wife and five children survive.

Mrs. Jonathan West of Moncton, at eighty-two years, died yesterday at home of her daughter there, where she is tended for the last fifty-five years. She survived by one son, John F. West, Moncton, and five daughters.

Kenneth W. Weeks seven years old, Marlboro is proud of the record his do of fifteen. While Wynandotte here to us ing. During the thirty days ended Jan. 18 they laid 271 eggs. The boy takes entire care of the flock himself.

## To Remove First Sign of Old Age

"The infallible first sign of age is sagging cheek muscles," says Mingo Cavalieri, whose fame as a beauty artist is scarcely outdone by that of the footlights. "These are in difficult and serious to treat. Besides causing muscle and skin to wrinkle," she continues. "The sagging muscles indicate that they have grown weak to remain in place; they must be stated, strengthened."

The best way to strengthen and hasten them is by using a weak lesion and dissolving an ounce of powdered y in a half pint of witch hazel. This is a free circulation to the affected parts, besides causing muscle and skin to contract. Saxatile, procurable at every store, has long been known by couple specialists to possess remarkable properties, valuable in treating not only tissue, but all wrinkles and furrows.
