**A. & J. HAY - 76 KING ST.****LD SKIPPER DIES AS  
RESULT OF ARGUMENT**

There Had Been a Heated Quarrel  
Over Latitude and Longitude

New York, Sept. 21.—Captain Henry Collins, of the little launch which plies the quiet Lower Bay, between Midland and South Beach, on Staten Island, is dead from violence as a consequence of a quarrel over latitude and longitude.

The captain went to Marelli's bar at West New Brighton, Marelli told the police his companions were Joseph L. Graham, Frederick C. Hood and William McGrath, all of New Brighton. There had been an altercation.

An hour later a passerby found Captain Collins unconscious and bleeding from a wound in the head. The old skipper died before a physician arrived.

Graham and Hood were arrested, and McGrath was held on bail as a witness as was Marelli, the bar-keeper. Graham, before Magistrate Marsh, acknowledged that he and others "had an argument about navigation and latitude and longitude" with the captain, and that he (Graham) had struck him. Hood admitted that he also had dealt a blow. The prisoners were held in \$3,000 bail.

THEY HE TOOK THEM DOWN.  
"You buy new shoes at least once a week, don't you, Mr. Snuggle?" said the typewriter girl.

"What makes you think so, Miss Wynne?" asked the head of the firm.

tea is the result of care and experience in blending must be the combination of the flavor, smooth strength and richness. Because all these elements are so generously included in Red Rose Tea it well merits the term "good tea."

Fourteen Deaths in Isolation Hospital in Chapei District of China

Shanghai, Sept. 20.—The reappearance of plague in the Chapei district, immediately outside the northwest boundary of the international settlement, serves to call attention once more to the wretchedly insanitary condition of that quarter and the constant menace that it constitutes to the general health of Shanghai. Some fourteen deaths have occurred and five cases are undergoing treatment at the Chinese Public Isolation Hospital, established by the Chinese early this year in consequence of the outbreak of plague last autumn.

All the cases of plague have come from Chapei with the exception of one death which took place in the French concession, and one just inside settlement limits, the victim was shown to have been brought into the settlement by a Chinese coolie.

As a result of the outbreak a meeting was held at the Taotai's yamen between representatives of the Isolation Hospital, including the two foreign doctors attached to it, the Chinese constabulary, and the Taotai, when it was decided that the infected quarter should be surrounded with an isolating fence of galvanized iron, and an extensive scheme of rat-proofing and trapping should be undertaken, and that a supply of Hoffman's serum should be available for all who were willing to be inoculated. It is only fair to add that a full need of praise must be given to the Chinese doctors and inspectors of the Isolation Hospital, whose energy in detecting and reporting cases of plague has been conspicuous.

THE CLOSE OF THE CAMPAIGN

A highly successful meeting was held yesterday afternoon in Lorneville, with H. W. Robertson, James Lowell and Hon. Wm. Pugsley as the speakers. They were given a hearty reception. Andrew Wilson occupied the chair.

In Fairville last evening a big rally was held in the interests of James Lowell, with a large attendance. Dr. Silas Allyn, K. C., Rev. J. J. McCaskill, J. McAlpine, Dr. M. L. Macfarland presided.

**AT MOUNT ALLISON**

A Sackville despatch states that it has been decided to move Linley Hall to the university athletic field. Dr. McKay, professor of physics, has resigned and steps are being taken to secure a successor. Professor Lawrence Killam, of Yarmouth, is appointed dean of the science faculty.

Dr. Andrews, who left to become president of Regina College.
