J. F. MULLIGAN, Executors.
St. Andrews, Sep. 17, 1878.

CANADIAN PACIFIC RAILWAY.

To Capitalists and Contractors.

The Government of Canada will receive pro- posals for constructing and working a line of Railway extending from the Province of Onta- rio to the waters of the Pacific Ocean, the dis- tance being about 2900 miles.

Memorandum of information for parties pro- posing to tender will be forwarded on applica- tion as under:—
Engineers' Reports, maps of the country to be traversed, profiles of the surveyed line, specifications of preliminary works, copies of the Act of the Parliament of Canada under which it is proposed the railway is to be constructed, descriptions of the natural features of the country and its agricultural and mineral resources, and other information, may be seen on application at this Department, or to the Engineer-in-Chief at the Canadian Govern- ment Office, 31 Queen Victoria street, E. C., London.

Sealed Tenders, marked "Tenders for Pacific Railway," will be received and opened, on the con- sidered, until the 1st day of December next.
F. Braun, Secretary,
Public Works Dept., Ottawa.
May 20, 1878.

NOTICE—EXTENSION OF TIME.

The date for receiving proposals under the above advertisement is hereby extended to the 1st January 1879.

Grand Manan, June 10, 1878

ST. ANNE, OTTAWA RIVER

Notice to Contractors.

SEALED TENDERS addressed to the Secre- tary of Public Works, and endorsed "Ten- der for Canal and Lock at St. Anne," will be re- ceived at this office until the arrival of the East- ern and Western mails on TUESDAY THE 22nd DAY OF OCTOBER next, for the construction of a Lock and the formation of approaches to it on the landward side of the present lock at St. Anne.

A map of the locality, together with plans and specification of the works to be done, can be seen at this office and at the Resident Engineer's of- fice, St. Anne, on and after TUESDAY, THE 24th DAY OF SEPTEMBER next, at either of which places printed forms of Tender can be obtained.
Contractors are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and in the case of firms except there are attached the ac- tual signatures of the nature of the occupation and residence of each member of the same; and fur- ther an accepted Bank cheque for the sum of \$200 must accompany the Tender, which sum shall be forfeited if the party tendering declines entering into contract for the works, at the rates and on the terms stated in the offer submitted.
The cheque thus sent in will be returned to the respective parties whose tenders are not ac- cepted.

For the due fulfilment of the contract, satisfac- tory security will be required by the deposit of money to the amount of five per cent, on the bulk sum of the contract; of which the sum sent in with the Tender will be considered a part.
Ninety per cent, only of the progress estimates will be paid until the completion of the work.
To each Tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of these conditions, as well as the due performance of the works em- braced in the Contract.
This Department does not, however, bind itself to accept the low st or any tender.
By order,
F. BRAUN, Secretary.

Parks' Cotton Yarns!

Awarded the Only Medal Given at the Centennial Exhibition
For Cotton Yarns of Canadian Manufacture

No. 15's to 10's.
WHITE, BLUE, RED, ORANGE AND GREEN.
Made of Good American Cotton with great care
Correctly numbered and Warranted Full Length and Weight.

WE would ask the purchasers of Cotton Warp to remember that our Yarn is spun on Thro- tle Frames, which make a stronger yarn than the Ring Frames, used in making American yarn.

It is also better twisted and more carefully reel- ed; each hank being tied up in 7 lbs. of 120 yards each. This makes it much more easy to wind than when it is put up without leas—as the American is—and also saves a great deal of waste.

Those acquainted with weaving will understand the great advantage it is to them to use yarn put up in this manner.

COTTON CARPET WARP.
Made of No. 10 Yarn, 4-Ply Twisted.
WHITE, RED, BROWN, SLATE, &c.
All fast colors.

Each 5 lb bundle contains 10,000 yards in length and will make a length of Carpet in proportion to the number of ends in width.

We have put more twist into this warp than it formerly had, and it will now make a more durable Carpet than can be made with any other ma- terial. Since its introduction by us, a few years ago, it has come into very general use throughout the country.

As our goods have our name and address upon them. None others are genuine.

THE GREAT CAUSE OF HUMAN MISERY.

We have recently published a new edition of Dr. CULVERWELL'S CELEBRATED ESSAY of the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, impediments to Marriage, etc resulting from excesses.

Price, in a sealed envelope, only 6 cents, or two postage stamps.
The celebrated author in this admirable Essay clearly demonstrates, from thirty years successful practice, that alarming consequences may be rad- ically cured, without the dangerous use of inter- nal medicine, or the application of the knife: pointing out a mode of cure at once simple, cer- tain and effectual, by means of which every suf- fering man may cure himself cheaply, privately and radically.

Every youth and man in the land.
