1.532953 Chr GLOTE M ON Board of Roview 85 MMB

Ref telegram AG CR67 D/18 Oct 45 Nevicw.

2. The CM Board of Review has in the case of the a/m soldier made the following recommendation:

Release on 18 Feb 1946".

3. You will note that the resonmendation of the Board deals with the remission at a future date. In considering this case your attention is directed to peras 3 and 4 of the telegram above referred to. It is pointed out that the action to be taken by you as a Superior Military Authority is not immediate and therefore this soldier's conduct and other direcumstances up to the date of the recommended remission should be taken into consideration by you prior to your acting upon the recommendation of the Board. It is therefore suggested that you should not sign the appropriate entry until the recommended date approaches.

4. If in your opinion recent misconduct exists it is requested that this No be advised at once in accordance with paras 3 and 4 of the AG telegram above mentioned.

5. May this HQ be infm of action taken.

7. Acknowledgment by telegram requested.
