

Provincial News.

FERNIE.

The Crow's Nest Pass Coal Company has commenced exporting coal as well as coke to the United States. The coal is going to Helena and is entered through the customs at a valuation of \$2.25 per ton.

KASLO.

The lake has risen almost fourteen feet at this point so far. Owing to the changeable and cool weather, there will be no flood at Kaslo this year. The steamer Hercules has brought in a big boom of logs from Lardo, and Buchanan's mill will probably be started up.

CASCADIA CITY.

The main part of the 1,000-foot bridge over Kettle river at Cascadia is now on end, and good progress is being made. The three sets of piles washed out of the spans will not seriously delay the work, as Superintendent Stewart states that if it need be the piles can be driven and the spans raised. The two 150-foot spans can be put in after the track layers get in sight, some two or three miles up the long Christina lake grade.

HANLEY.

Mr. N. Carter has finished burning his first kiln of bricks. Mr. F. Dorman has moved up from Vancouver and has got a new machine for his brick yard to be able to put out a larger output of bricks. Preparations are being made for a grand time on Dominion Day.

JILLOOT.

Mr. Kosky and his companions, of Jilloot, have received a shipment of lumber for the purpose of building a new house on their property.

QUEENSLAND.

There has been an unusual amount of rain at Queensland this season and lawns and gardens, although the season is late, look well. Times are very quiet and there is much complaint among business men about the lack of business.

VERNON.

The copious rains of the past few days have cheered the hearts of the farmers, and every indication now points to a bountiful harvest. The unusually late and backward season, are now well advanced.

MIDWAY.

Mr. Haywood, formerly assistant in the Grand Forks Customs Office, under Mr. Gilpin, is now in charge of the Midway Customs Office. The unit will remain in charge until a regular officer is appointed.

GREENWOOD.

H. Warrington, a prominent mining engineer, with headquarters at Revelstoke, spent several days without delay this week. Mr. Warrington is impressed with the great possibilities of the district and expects to return here at an early date.

ALBERNI.

(Special to the Times.) Alberni, June 15.—Hayes camp at Nahmint has been shut down for a time. It is believed with a view to a Mr. Hayes and a party of prominent mining men from Spokane, who came down last week to look at the property and it is understood to be showing up an excellent style. Several camps are working on Anderson Lake, where Mr. Hayes also owns some claims upon which he has engaged men employed.

ALBERNI.

The Lake Shore and other properties are also being worked. Mr. Starks is doing development on his claims in the Nahmint and the lead shows up well. The Alberni Consolidated, the Golden Eagle and the Three W's are all being worked.

ALBERNI.

Alberni is going to celebrate Dominion Day in a patriotic style. There will be a parade of the militia and other kinds of sports on the Anderson property, and probably a big dance to wind up with.

ALBERNI.

The bicycle club is growing with surprising rapidity. Thirty members have already joined, about a third of them being of the flying wheel having many ardent devotees here among the fair sex. The ladies of the English church are to give a bazaar for the 24th, the proceeds of which are to be devoted to the building fund of the church.

At a meeting of the police commissioners Charles French was appointed policeman. The appointment is only for one month, but should French give satisfaction he will probably be permanently appointed. The question of the powder magazines on Magazine Point, across from the city, was discussed and the commissioners decided to instruct the police officers to enforce compliance with the provincial statute which prohibits the maintenance of a magazine within two miles of the city. The commissioners also decided to appoint 15 special constables for duty in connection with the Dominion Day celebration from June 30th to July 4th. Six of the specials will be employed during the day and six during the nights of the celebration.

SILVERTON.

The watchman at the Comstock Mines, reports several bears hanging around that place. Frank Ryan, who has been dangerously ill in the Sandon Hospital, is now convalescent and expects to be back in Silvertown in a few days.

LILLOOET.

Billy Johnson, teamster for Veith & Borland, had his hand badly smashed and right leg seriously injured in a runaway on Clinton last week.

SLOCAN CITY.

A pretty wedding took place here Monday evening, the contracting parties being Miss M. L. Bennett, second daughter of Mrs. S. E. Bennett of this place, and A. R. Balcerstone, also of Slocan City. The ceremony was performed at the home of the bride's mother by the Rev. A. M. Sanford, of Sandon.

ROSSLAND.

The Columbia Telephone Company has applied to the city council for a franchise to put poles and stretch wires in this city. The company is now constructing a telephone line from trail camp McKinney, and this line must be completed by the 1st of July. When this line is finished the company will have 400 miles at its disposal.

VERNON.

A banquet is to be tendered Hon. Charles H. Mackintosh on Wednesday, June 20th. The Masonic temple, which was virtually destroyed by fire on Friday night, will be rebuilt. All the details of the rebuilding have not been agreed upon, but it is thought that the structure will be made larger and better than the old one. It is claimed that the sum of \$50,000 will be spent on the proposed building. The loss on the building and the mill will be about \$35,000, most of which will fall on the Blue lodge of Masons. The loss is only partially covered by insurance.

The Archdeacon of Columbia met the Anglican congregation in Brown's hall on Wednesday evening, when there was a large attendance, over a hundred being present, to receive the archdeacon and his news of the arrival on Thursday week of the Rev. William Clarke, who in charge of Trail, having been ordained a month ago by the Archbishop of Rupert's Land for this parish.

ALBERNI.

The local Salvation Army corps has in contemplation the erection of a larger and more commodious barracks than the one at present in use. Brigadier Howell is looking for a site for the new building. At the meeting of the City Council on Tuesday night the rate of the tax levy was fixed at 16 mills; 10 mills for the purpose of meeting the running expenses of the city, and six mills to provide a sinking fund for the redemption of the city's outstanding debentures. On the 10th a rebate of six per cent. will be allowed to all who pay their taxes on or before the 1st day of August next. To those who pay before that date the levy will be 14.3 mills, and those who pay after, 16 mills. The levy will be made on the full valuation of the real estate and upon 50 per cent. valuation on improvements. As all the taxable property of the city amounts to \$200,000 there will be about \$20,000 if the taxes are all paid, to meet the running expenses of the city, and \$20,000 to pay interest and provide a sinking fund for the city's indebtedness.

NELSON.

The Hall Mines made the regular shipment of lead-silver bullion on Monday to the refinery at Newark, New Jersey. There was twenty odd tons in the shipment which had a value of \$2,574. The till of the Divide hotel, on the Robson-Bentley railway, was broken into on Friday night during the absence of the proprietor, Joseph H. Graham, and \$400 worth of cheques stolen. The cheques were drawn on the Bank of Montreal at Nelson, and payment has been stopped. The big copper furnace at the smelter will be blown in on the 20th instant.

ALBERNI.

The appropriation of prize money recommended by the Dominion Day celebration committee is as follows: Races, \$500; dominoes, \$250; croquet, \$250; billiards, \$250; horse cart races, \$500; boat races and illuminations, \$450; lacrosse, \$250; bicycle races, \$100; baseball, \$250; children's sports, \$35; trap shooting, \$100; lawn tennis, \$75; and trades procession, \$100.

ALBERNI.

At a meeting of the Board of Trade on Monday a letter was received from the Rossland Board of Trade stating that the first joint meeting of the Board of Trade of Kootenay and the Boundary district will be convened in Rossland on Thursday, August 2nd. Each board will be represented by two delegates. The Rossland board requested that the representative of the South Kootenay Board of Trade be selected once, and the other delegates forwarded to Rossland so that special rates for transportation can be arranged. The letter also requested that thirty days' notice in writing be given of the special subjects which the South Kootenay Board of Trade desires to have discussed at the joint meeting.

ALBERNI.

The Salvation Army is located in their new quarters on Victoria street. The unfortunate city which is getting very loose at the far end, and it is doubtful if part of it will last over the Company.

ALBERNI.

The regular monthly meeting of the directors of the Kootenay Lake General Hospital was held on Tuesday. The canvassing committee reported that \$1,580 had been subscribed for the building fund and that they did not anticipate any difficulty in raising the balance of the \$2,000 necessary to secure the grant of \$500 from the city.

ALBERNI.
