Coun. Murray asked that the matter be dealt with on principle.

Coun. Doyle said the more it was discussed the more he was confused and yet it was a piain matter. The law stated how epidemic bills should be paid and it was the duty of the council to carry out the law.

Coun. Swim said he had listened a long path and the continue of the council to carry out the law.

Law been in evidence in all your doings with me since I have been elected to the honorable because no county in the Coun. Swim said he had listened a long path has been in the capacity of the council to carry out the law.
