

Says Germans Use Ether to Bolster Up Their Courage

Professor Norton Cru, of Williams College, now French Soldier, Declares Odor of Drug is Strong in Ranks of Charging Opponents.

York, April 21.—Professor Norton Cru, who left Williams College to join the French army, declares the courage of the soldiers is bolstered up with alcohol and ether. In a letter just received by his brother, Paul Cru, French professor at Hunter College, he tells of an attack made on the French trenches in the Argonne.

The Germans charged, he says, but instead of using bayonet and bullet they sprinkled the trenches with boiling tar. The French were routed, but next day retook the last positions. So angered were the French by the Germans' methods that they "buried" the Germans alive in their trenches.

Prisoners taken at that time, Professor Cru says, reeked of ether. He writes that he wants Americans to know to know of the Germans' mode of fighting. His letter follows:

"I am sending you a photograph taken and finished by a comrade. It is a poor picture, but you can at least see what I look like in my army outfit. As you will see, there are two persons in the group. Often, when we are on our way back from the trenches we have supper with them and warm ourselves at their hearth.

"The newspapers have spoken of the attacks by the Germans on our lines in the woods of Malancourt. They also have spoken of the brutality of the Germans, who sprinkle our trenches with boiling tar. My regi-

ment was on reserve at the time. The day following the attack (when the boiling tar was first used) our regiment repaired the damage done by the enemy.

"I have not yet fully described the horrible savagery of the enemy. Now I must do so. Each time now before attacking they bolster up the courage of the soldiers with alcohol and ether. The prisoners we have captured all were drunk with ether. The odor of the drug was strong on them.

"The enemy wished to take possession of the woods before which were our trenches. The Germans thought they would produce a panic by surprising us with the molten tar—a strange and terrifying weapon. There was no panic, although the blazing tar burned alive all it touched.

"The victory of the Germans was won easily, but the next day they lost more than they had won. They were completely repulsed in a fierce attack and the indignation of our troops, caused by the outrages upon us the day before, was magnificent.

"We took few prisoners, as by acting quickly and skillfully we buried the Germans alive in their trenches.

"Do they know in America how horribly the Germans are acting? I wish the Americans to know of these deeds. The Germans act in war like hogs.

"We are about to leave this section and are going a little further west in Argonne."

GIRLS! DRAW A MOIST CLOTH THROUGH HAIR

Try this! Hair gets thick, glossy, wavy and beautiful at once.

Immediate?—Yes! Certain!—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits the woman whose hair has been neglected. It is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.

LABEL SUIT AGAINST HERALD PUBLISHING CO.

Came up for hearing yesterday—Writer of alleged libelous article says it was aimed at another paper.

Montreal, April 21.—The charges against the Herald Publishing Company and Alfred Leithard, its secretary-treasurer, brought by the Daily Mail Publishing Company in consequence of certain articles published in the Herald and Telegraph concerning the Carleton Hotel and the proposal to purchase it as a postal station came up this afternoon before Judge Choquet.

The charge of conspiracy to defraud complainant against Mr. Leithard was considered first. The Herald Publishing Company is charged with criminal libel.

M. E. Nichola, journalist, president and manager of the Daily Mail Publishing Company, said the articles in question could have had no other object or effect than to injure the reputation, standing, and character of certain persons. Those persons were the owners of the Carleton Hotel, the land speculators referred to, the Exchequer Court, and Judge Pelletier and whatever other ministers had to do with the transaction. The reputations of these people would be injuriously affected by implicating them in what purported to be a disgraceful transaction.

Charles Gordon-Smith, managing editor of the Montreal Herald, swore he wrote the articles. He said he had had the matter under consideration for a year. He said the article did not refer to the Daily Mail but to the Evening News.

The case was adjourned till tomorrow morning at this point.

COULD NOT GO TEN STEPS FOR THE PAIN IN HIS KIDNEYS.

When you get a pain in the back you may rest assured that it comes from derangement of the kidneys, for were there not something wrong with the kidneys the back should be strong and well.

Doan's Kidney Pills regulate the kidneys and there is no further excuse for any kidney trouble to exist. What more needs to be said? While Doan's Kidney Pills are not a "balm for every ill that flesh is heir to," they are a positive, never-failing remedy for every disease that has its inception in the improper action in those delicate little filters of the blood, the kidneys.

Mr. Adolard Clouton, Eganville, Ont., writes: "I was troubled with my kidneys for four years. They were so bad, at times, I could not go ten steps for the pain they caused me. My doctor could not do me any good. A friend advised me to use Doan's Kidney Pills. I bought five boxes, and now I have been cured for over three years. I will recommend them to whoever may be suffering from kidney trouble."

Doan's Kidney Pills are 50c per box; 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont.

TWO WOMEN TESTIFY

What Lydia E. Pinkham's Vegetable Compound Did For Their Health—Their own Statements Follow.

Haliburton, P.E.I.—"I had a doctor examine me and he said I had falling of the womb, so I have been taking Lydia E. Pinkham's Vegetable Compound and it has done me a lot of good. All the bearing-down pains have vanished. I have gained ten pounds in weight, the discharge is all gone, and I feel better than I have for a long time. I think any woman is foolish to suffer as I did for the sake of a few dollars.

"You can use my letter as a testimonial. It may encourage other poor women who suffer as I did to use your Vegetable Compound."—Mrs. Geo. Collett, Haliburton, Let 7, P.E.I.

New Moorefield, Ohio.—"I take great pleasure in thanking you for what your Vegetable Compound has done for me. I had bearing down pains, was dizzy and weak, had pains in lower back and could not be upon my feet long enough to get a meal. As long as I laid on my back I would feel better, but when I would get up those bearing down pains would come back, and the doctor said I had female trouble. Lydia E. Pinkham's Vegetable Compound was the only medicine that helped me and I have been growing stronger ever since I commenced to take it. I hope it will help other suffering women as it has me. Mrs. Kelly Advises all Women to Take "Fruit-a-tives"

Hagerstown, Ont., Aug. 26th, 1913.

"I can highly recommend 'Fruit-a-tives' because they did me an awful lot of good and I cannot speak too highly about them. About four years ago I commenced taking 'Fruit-a-tives' for a general break-down and they did me a world of good. We bought a good many dollar's worth, but it was money well spent because they did all that you claim for them. Their action is so pleasant, compared with other laxatives that I found only pleasure, as well as health, in taking them. They seemed to me to be particularly suited to women, on account of their mild and gentle action, and I trust that some other women may start taking 'Fruit-a-tives' after reading my letter, and if they do, I am satisfied the results will be the same as in my own case."

MRS. W. N. KELLY.

"Fruit-a-tives" are sold by all dealers at 50c. a box, 6 for \$2.50, trial size 25c., or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.
