For nearly a quarter of a century the J. A. McDonald Piano and Music Co., Ltd., have been the big dominant factors in the Music Business of the Maritime Provinces. For nearly a quarter of a century we have sold only the best goods obtainable. Our factory has advanced to a point that we feel it should receive the advantage of our concentrated publicity; therefore we are discontinuing the J. A. McDonald Piano and Music Co., Ltd., that the Amherst Pianos, Ltd., may become better known. The public in St. John have treated us royally, and in closing I want to say that I appreciate the support that has been accorded us by the people of St. John and the surrounding country, and I am showing my appreciation by offering our friends and well wishers the greatest Piano Bargain Festival in the history of the piano business.

Facts and Figures of the Greatest Piano Sale in the History of Piano Selling!

At the stroke of eight o'clock Friday morning we will launch the most sensational and gigantic sale of Pianos and Player Pianos ever held east of the Rocky Mountains. Pianos and Player Pianos that have stood as landmarks of quality for a half-century will be sold here at this sale at prices that will beggar comparison. The biggest and best bargains will very naturally sell first; therefore, to give everyone a chance, we will not put the goods on sale until Friday morning at 8 o'clock.

This sale will never be duplicated for values given. We want to get our money out of the pianos in hand, and we will not let any cash offer that is within the bounds of reason go by. We want to clean up here Friday and Saturday, and we will do it if prices and terms mean anything. Come here Friday; if not Friday, come here Saturday, but be here Friday or Saturday without fail. Come Friday if possible, as the prices will not leave pianos here long.

This is the great and grand chance of a lifetime to get a Piano at an unparalleled bargain for spot cash. We will not hesitate at anything that looks like the first cost of the stock on hand. Some of the pianos have been used, some have been rented, others are shop-worn, but the vast majority are brand new. We want the cash. Put your money in your pocket and come here, and we will surprise you with the values we will offer.

The Store Will Be Closed All Day Thursday to Mark Down the Stock.

Every Player in this group is a standard make player, guaranteed by us and by the factories. We have cut the terms as well as the price. Leave any amount you can spare as a deposit, and arrange balance as low as \$250 weekly.

In this group are several Sample Pianos shipped us from various factories. We have not room for any additional lines, therefore the factories have advised us to take whatever we can get for the goods rather than ship them back. Look at this price.
