## SIGHT ABANDONED

SCOTIA QUEEN  
Boston, Mass., Dec. 30.—The freight  
steamer Honduras, in today from Port  
Limon, Costa Rica, reported having  
sighted the British schooner Scotia  
Queen, recently abandoned by her  
crew, sailing the seas with all sails  
set. Her erratic movements attracted  
the attention of the officers of the  
Honduras, who discovered that she  
was waterlogged and without a crew.  
Captain Danielson of the Honduras  
said that the schooner bore witness  
to navigation. As he had a perishable  
cargo aboard he made no effort to  
take her in tow.

The Scotia Queen was abandoned  
ten days ago, off Cape Hatteras, while  
on a voyage from Jacksonville for  
Norfolk. The crew was taken off by  
the steamer Gulfland and landed at  
Beverly.
