

CANADIAN SON OF TEMPERANCE,

THE LARGE 103, YONGE STREET

The rage for the gold of Australia is past,
And men gather wisdom and show it at last.
For now they believe what they've often been told:
That our own favored Canada is the country for gold!

While here we are blessed with a generous soil,
The man may have gold who is willing to toil,
And vain were his search for a happier shore.
While blessings so numerous as a harvest of gold!

Strange indeed would it be, if a land like our own,
Where our roses, though latest, are sweetest when
blown

Though our winters are long, and sometimes severe,
But lead us to summers delightfully clear.
Should be less attractive, because of its cold,
Than lands full of vices—though teeming with gold!

But prosperous as Canada always hath been,
This year is the best that she ever hath seen,
And now she is wreathing a laurel to wear,
That nations may one day be anxious to share.

Her prosperous condition will appear very plain.
Where her farmers get a dollar and a quarter for grain.
While all their productions so readily sell,
At prices which now pay them equally well.

To many, it doubtless may seem very queer,
Why Dry Goods are cheap and provisions so dear,
'tis true, notwithstanding, which our patrons may
see,
By calling on Young Street: One Hundred and Three.

While many must know, an advance very great,
Has been made in the value of woollens of late,
Yet our flannels and blankets will quickly appear,
Quite as low as the prices we offered last year.

Our Bonnets and Cloaks have been tastefully made,
With a prospect of greatly increasing our trade,
And our Shawls and our Furs will at once please the
eye
And induce even the most fastidious to buy.

Our manner of business is extensively known,
The lowest price asked, with the article shown;
And such, we determine, shall continue to be,
The unceasing practice at ONE HUNDRED AND
THREE

Protection from Lightning, BY SPRATT'S PATENT.

LIGHTNING RODS manufactured by E. V. Wil-
son and H. Piper & Brother, 60 Yonge Street.
The Subscribers are the only authorized agents for
the sale of these valuable rods in the Canadas. Man-
ufactured and for sale, wholesale and retail, at No. 50,
Yonge Street, Toronto.

CAUTION—Allow no man to protect your buildings
without first examining the points of his rods, and if
they have not the Platinum Wire in the point, they
are not genuine. The coating of them is of a com-
position metal that never rusts, retaining its brightness
for years. The metal is soft and easily cut with a
knife, yet sufficiently hard not to mend under the in-
fluence of electric fluids. Look out for rods manu-
factured at St. George, C. W., they purport to be
Spratt's points and rods but are not. The points are
made of steel, highly polished, but will become coated
with rust after the first night's exposure to the at-
mosphere, consequently rendering them useless. Always
ask for the Agent's Certificate of right to sell, and be
sure to notice the stamp—**SPRATT'S IMPROVED
POINT**—this is on the points near the base.

Notice.—No Policy of Insurance covers losses by
Lightning unless burned down or set on fire.

of the money collected 15 per cent, and so for any
greater number. The Proprietor, however, gives no
guarantee that he will not be answerable for the non-
payment to agents, travelling or otherwise,
whose names do not appear regularly as such in this
paper. Subscribers, before paying send-out agents,
should see that they are persons of character
or property.

The "SON & GEM" will be regularly issued week-
ly on Friday afternoons, dated and mailed on Sat-
day, so that most of it may be read on our Subscribers' own
Hearts, &c., No. 13, Adelaide St. East, Near Victoria.
