the side of the Conservative party, and would feel like throwing myself most urgently behind the cause of tariff reform. Britain's position in this respect differs materially from that of Canada, *but* in a world tariff ribbed as it is to-day there can be no equal competition on the part of Britain while she retains her present policy.

Yours very truly,

MEIGHEN PAPERS, Series 3 (M.G. 26, I, Volume 98)
