

152197/1.

Ottawa, 31st December, 1910.

Sir:-

Your "Teacher's Report" for the year just ending on the Georgina Island Indian day school has been received by the Department, and it has been noted that you state that no time is as yet devoted to calisthenics.

In view of the fact that you were sent a copy of a Manual on Calisthenics and Games in August last, in which teachers of all Indian schools were particularly requested to give this matter attention and teach the pupils the movements therein described in 'Group 1' daily, the Department fails to understand why you have not complied with this request, and I have to ask you to be good enough to give the instructions contained in the Manual your careful attention.

Your obedient servant,

Asst. Deputy & Secretary.

Geo. Cork, Esq.,

Teacher - Georgina Island School,
Georgina Island, Ontario.
