

4. Each health administration shall furnish data to the Organization once a year on the extent to which its ports and airports are kept free from vectors of epidemiological significance in international traffic.

#### Article 21

1. Each health administration shall send to the Organization:
  - (a) a list of the ports in its territory approved under Article 17 for the issue of:
    - (i) Deratting Exemption Certificates only; and
    - (ii) Deratting Certificates and Deratting Exemption Certificates;
  - (b) a list of the airports and sanitary airports in its territory;
  - (c) a list of the airports in its territory provided with direct transit areas.
2. The health administration shall notify the Organization of any change which may occur from time to time in the lists required by paragraph 1 of this Article.
3. The Organization shall send promptly to all health administrations the information received in accordance with this Article.

#### Article 22

1. The Organization shall, at the request of the health administration concerned, arrange to certify, after any appropriate investigation, that a sanitary airport in its territory fulfils the conditions required by the Regulations.
2. The Organization shall, at the request of the health administration concerned, and after appropriate investigation, certify that a direct transit area at an airport in a yellow-fever infected area in its territory fulfils the conditions required by the Regulations.
3. These certifications shall be subject to periodic review by the Organization, in co-operation with the health administration concerned, to ensure that the required conditions are fulfilled.
4. In the list which the Organization is required to publish under Article 21, it shall indicate those airports certified under the provisions of this Article.

#### Article 23

1. Wherever the volume of international traffic is sufficiently important and whenever epidemiological conditions so require, facilities for the application of the measures provided for in these Regulations shall be made available at frontier posts on railway lines, on roads and, where sanitary control over inland navigation is carried out at the frontier, on inland waterways.
2. Each health administration shall notify the Organization when and where such facilities are provided.
