

Restriction on
Sale of Game Last year I had the temerity to prohibit the sale of wild meat. I do not think the Eastern Provinces have really undertaken to ensure the conservation and preservation of our wild animals. However, owing to the high price of these meats, the pot-hunter was encouraged to violate the Game Act, and that is one of the reasons why I had this Act passed. I do not know whether we shall continue it or not. There is a great feeling against it; the poor people say they have always enjoyed their wild meat, and that what they did not eat they sold to their neighbours. However, if I cannot keep that Act on the statute book, it will not be my fault.
