

I,

**John T. McKenzie.**

**STAR  
MERCHANT  
TAILOR,** ★ **of Charlotte-  
town, P. E. I.**

do solemnly protest against any person or persons who advertise or otherwise endeavour to make the public believe that they can give as good satisfaction as the STAR TAILOR can. Such is evidently intended to bring the STAR TAILOR into disrepute, but we know our people detect Genuine Currency; there is no discounting the STAR TAILOR'S best. For in General Appearance they are Positively Artistic; in **Quality and Workmanship** they are beyond reasonable criticism.

For value, let me say, you can get no better,—taking into consideration that we make our Garments in the **Latest and most Artistic Styles** from Goods of the Latest Designs, and made in the most Approved Fashion. Why, to enlarge upon the merits of our work is superfluous, for everybody knows the STAR TAILOR. Our different lines are full including Furnishings, and in style and variety are **hard to beat** anywhere. We always look out for the **Newest Things in the Market**.

Specialties in Dressing-gowns, Smoking-jackets, etc.

Come and see our Stock before purchasing elsewhere as we can save your money to the very best advantage.

**JOHN T. MCKENZIE.**
