

MR. D. D. SMITH, Teacher, Lorneville, Ont.

Writes as follows:—

"I send herewith my Business Practice with all Voucher Papers and Balance Sheet. I devote only spare time, and while I may be going slowly I enjoy the work very much. Your Correspondence Course is alright, and I never lose an opportunity to say a good word for it."

W. H. SHAW.

There are a good many progressive Teachers and Young People from each Province in our Dominion using their SPARE TIME to advantage in this way just now, and many more would be doing the same thing if they but knew the many advantages of CORRESPONDENCE INSTRUCTION open to them at a very trifling cost. Surely it is worth the trouble to clip out this notice, mark name and address, and mail it. Just try it.
