

WHERE CHEAP IS DEAR

Folks are constantly confusing "cheapness" and "profitableness"

DeLAVAL CREAM SEPARATORS

Outwear 3 to 10 of the cheap kind

3 "Cheap" Machines, at \$50 \$150.00
DeLaval, at 180.00
DeLaval Cost less by \$ 36.00
and suppose it was 10 cheap ones.

Tudhope Sleighs

Over half a century's experience goes in every Tudhope Sleigh. Those at the head of the great Tudhope Works have been brought up in the business and "know how."

Every Tudhope Sleigh is guaranteed to be free of any imperfection in material or workmanship. And this guarantee is backed by a Canadian house established in 1855.

TUDHOPE No. 43
Two beams Democrat Bobs. Body 7 feet 8 inches long. Supplied with one or two seats, pole or shafts, as desired. A splendid family sleigh—excellent for general use.

Let us send you a free copy of the Tudhope Sleigh Book.

THE TUDHOPE CARRIAGE CO., Ltd. - ORILLIA, Ont.

Short Courses at the O. A. C.

The short course announcements for the Ontario Agricultural College for 1907 have been published. These include dairying, stock and seed judging and poultry raising. The course in dairying will be conducted as follows:

Dairy school, long course for factory cheese and butter-makers, January 2—March 22. Courses for dairy instructors, April 1-6. Summer course for butter and cheese makers, May 1—Sept. 30, 1907.

The stock judging and seed judging courses, including the extermination of weeds and weed seeds, January 8-19. Poultry raising, January 8—February 2, 1907. For announcement giving full particulars apply to G. C. Creelman, president, O.A.C., Guelph.
