The Farming World

A Paper for Farmers and Stockmen

WELL MERITED PRAISE

Did you ever stop to consider why the Model Farms and most prominent agriculturists use and recommend

This Trade Mark is on every ball of the best twine made.

PLYMOUTH BINDER TWINE

in preference to all other makes?

These expert farmers know from actual tests and experience that it works best, is smoothest and longest, therefore more ECONOMICAL than other brands.

Is not their opinion worth something to you?

Dealers may make more by selling some other twine, but the farmer makes most who buys PLYMOUTH—the word that stands for everything good in binder twine.
