

## AUTOMATIC PILE HAMMERS

### REASONS!

- They drive more rapidly and more economically.
- They require less attention during driving.
- They do not shatter the Pile.
- They can drive pile when the drop hammer cannot.
- There is no wearing out of hoisting lines.
- They drive more piles in a day.
- They usually leave the pile so that it need not be cut off.
- They make sharpening of piles ordinarily unnecessary.

Our catalog tells a whole lot more. A postal card will bring one.
