FARMERS, ATTENTION!

The Mutual Life Insurance Company of New York wants a responsible farmer in every township to act as Agent and introduce the following new plan of investment. This Company has recently placed on the market a 7% Consol. This Consol, issued only by the Mutual Life Insurance Company of New York, combines more advantages with fewer restrictions than any investment insurance contract offered by any other financial institution in the world. It consolidates investment, endowment and annual income. It is a revelation and only needs to be seen to be appreciated. This Consol is acknowledged by financiers to be the greatest achievement of modern financial science. The Mutual Life is the oldest Life Insurance Company on American soil, and the largest financial institution in the world. Its assets now amount to \$159,507,138.68, with a surplus over and above all liabilities of \$12,030,967.16. This Company also writes all other desirable forms of insurance, and is prepared to issue Policies on all the popular plans. For all information as to Agencies and Terms of Insurance call on our address, **W. T. McNEIL, District Manager, Room A, Masonic Temple, London, Ont.** 317-y-o
