Cheese and Butter

Makers of these articles, in many instances, do not pay the necessary attention to the quality of the Salt they use. Some people think that "Salt is Salt," and it does not matter where it comes from or who makes it. This is a great mistake, for it is essential that to produce the best Butter or Cheese nothing but the purest salt should be used. The number of prizes obtained by users of Coleman's or Rice's Dairy Salt at the various exhibitions is conclusive proof that these brands of salt stand unrivalled.

BY ACT OF PARLIAMENT, ASSENTED TO JUNE 14, 1900, THE NAME OF
The Ontario Mutual Life Assurance Company
WAS CHANGED TO
The Mutual Life Assurance Company of Canada

As the only purely Mutual Life Company of Canada, and as its business extends from Ocean to Ocean, a more national and comprehensive name was found desirable. Under the new name the management will aim to perpetuate and extend the same popular features and sound principles which have made the Company what it is to-day and to which the
unprecedentedly profitable results
to its policy holders are largely attributable. With the same hearty co-operation of our policy holders, and the same generous confidence of the assuring public, as accorded for the last 30 years, we believe these results will continue to be as satisfactory to policy holders in the future as they have been in the past.
