FLEMING'S LUMP JAW CURE

A Lump Jaw Certainty...

There's no use wasting words, Fleming's Lump Jaw Cure does positively cure. It has been used for years all over the continent. It is used and endorsed by leading stockmen everywhere. Our guarantee is positive and definite; the remedy must cure, or you get your money back.

Farhamville, Iowa, June 11th, 1900.
Fleming Bros.
Messrs.—I got our druggist to send for a bottle of your Lump Jaw Cure. I applied it twice to one case, that had not been opened. That case is now well. I applied it three times to a case that had been opened, and that looked like a big red wart, which is now well. These were not on the bone, but on the neck just back of the jaw. I think your cure a heroic remedy. Yours truly,
W. W. WILES.

Price \$2 per bottle, or three bottles for \$5. If not sold by your druggist, we send by mail prepaid. Let us send you our illustrated Pamphlet FREE to readers of this paper.
