

## Was Taken Very Ill with DIARRHOEA.

WAS WEAK AND DISCOURAGED.

## DR. FOWLER'S EXTRACT OF WILD STRAWBERRY CURED HIM.

Mr. T. W. Robertson, Elm Valley, Man., writes:—"I was taken very ill with diarrhoea, and tried everything I had ever heard of, as being good for it, but, without success until I was finally advised to try Dr. Fowler's Extract of Wild Strawberry. I was so weak and discouraged that I didn't expect to derive much benefit from it, but I am happy to say, that, after I had taken two doses I was greatly relieved, and a few more entirely cured me. I shall always be pleased to recommend your medicine to all sufferers and I consider myself fortunate to get such a marvelous relief after expecting to die."

We wish to warn the public against being imposed on by unscrupulous dealers who substitute the so-called "Strawberry Compounds" for Dr. Fowler's.

If you want to be on the safe side, ask for Dr. Fowler's Extract of Wild Strawberry and insist on getting what you ask for.

The original is manufactured only by The T. Milburn Co., Limited, Toronto, Ont. Price 35c.

**POPLAR LODGE SOUTHDOWNS AND BERKSHIRES**—For sale: A high-class show flock of Southdowns, also shearing rams and ewes, and ram and ewe lambs. Berkshires of both sexes and all ages; right good ones. An honest representation is my motto. **SIMEON LEMON, Kettleby P. O., Ont., Aurora Station.**

A colored man was brought before a Police Magistrate, charged with stealing chickens. He pleaded guilty and received sentence, when the judge asked how it was he managed to hit those chickens right under the window of the owner's house, when there was a dog loose in the yard.

"Hit wouldn't be no use, Judge," said the man, "to try to 'splain dis thing to yo'-all. Ef you was to try it you like as not would get yer hide full of shot an' get no chickens, nuther. Ef yo want to engage in any rascality, Judge, yo' better stick to de bench, whar yo am familiar."

### GOSSIP.

The American Guernsey Cattle Club announce that 908 official yearly records of cows in the Advanced Registry have been completed.

**R. O. MORROW'S HOLSTEINS, TAMWORTHS, AND CHESTER WHITES.**

The noted stock farm of R. O. Morrow, Hilton P. O., is situated in Hastings County, Ont., about three miles north of Brighton Station. Mr. Morrow is well known as a breeder of exceptionally high-class Holstein cattle, Tamworth and Chester White hogs, and Cotswold sheep. There are few herds of Holstein cattle that, for ideal dairy type, size and constitution, show up to better advantage than the Hilton herd. With their large, well-balanced udders, their appearance indicates them to be what the factory ledger proves them to be, a herd of producers most profitable to their owner. Although in Mr. Morrow's hands none have ever been officially tested, many of them in other hands have made very enviable records. Headed, as they are, with a sire of high official backing, the many young things for sale are a lot most desirable for intending purchasers.

Very little need be said of the high-class character of the Tamworth herd, their record for a number of years in the show-rings at Toronto and Ottawa is proof positive they are second to no other herd in the country, this year at Toronto winning their share of the leading awards, as well as championship on sow, and at Ottawa, very nearly winning everything hung up. Several of the leading breeding animals were imported three years ago, thus infusing new blood in the herd. For sale are both sexes of all ages, of a type ideal from the packers' standpoint. The Chester Whites are also as a herd among the best, winning practically all the firsts at Ottawa, and getting well up at Toronto, securing first on boar under two years; third on aged sow; second on sow under two years; and third on herd. Young stock of both sexes are for sale. Mr. Morrow has also for sale a few Cotswold sheep.

**P. D. McARTHUR'S AYRSHIRES.**

Near North Georgetown P. O., about 1 1/2 miles from Howick Station, Que., is the well-appointed stock farm of P. D. McArthur, one of the leading Ayrshire cattle breeders of that noted Ayrshire district. This splendid herd, a part of which is imported, the others Canadian bred, now ran's well up among the best in the country, both as a show herd and as a herd of heavy producers. At the head stands one of the most perfect specimens of the breed ever imported, Netherhall Milkman (imp.), sired by the renowned bull, Auchincraig Prince Albert, and out of the no less renowned cow, Merlie of Netherhall. Last year this bull was first in his class at Toronto, and this year repeating the trick, on both occasions being reserve champion, while this year at Ottawa he rose to his proper level when he won first, and senior and grand championships. The females of this herd are a big, strong-constituted lot, uniformity of dairy type being the predominating feature. At Toronto, in classes strong enough to compete with the world's best, they won fourth in the aged-cow class, on Snowflake; third in the 3-year-old class, fourth in the dry-cow class, third in the 2-year-old heifer class, fourth in the class for yearlings in milk, second in the senior calf class; third on graded herd, first on the young herd, and first on the progeny of one bull. At Ottawa they won fourth on 3-year-old cow; third on 2-year-old heifer, fourth on senior heifer calf, third on yearling bull, second on dry cow, third on Canadian-bred cow, fourth on senior herd, and third on junior herd. This is a remarkable showing, when it is considered that this is only the second year Mr. McArthur has exhibited at the big shows in competition with the leading importers and breeders of Canada. Every female of the herd in milk is now being entered in the Ayrshire Record of Performance, where we predict a brilliant record for the herd as a whole. Mr. McArthur has always on hand for sale females of all ages, but not now in males; there are only calves left, all of which are sired by his champion bull, and out of high-class cows.
