## Paralyzed Cow Cured

By Douglas' Egyptian Liniment

Here is a remarkable case that came up on the farm of Mr. D. E. Perry, Violet. Ont., as described by himself:—
"One of my cows was so badly paralyzed in the back and hind legs that she could not walk. I tried nearly every remedy that I could hear of but none of them proved to be any good. My neighbors told me there was no use doing anything more for her, but I determined to give Douglas' Egyptian Liniment a trial for luck. It worked wonders, for after using two bottles the cow was completely cured."

Egyptian Liniment seems almost to work magic in all kinds of stiffness, soreness, sprains, rheumatism and similar troubles of man and beast, as well as on cuts, burns, scalds, sores, barber's itch and other skin troubles.

If you have a bottle of Familian Lini

If you have a bottle of Egyptian Liniment on hand you are prepared to deal quickly and effectively with a good share of the troubles that come up in the home or in the stable.

Gossip.

Volume 22, of the Clydesdale Stud-Book of Canada, compiled and edited in the office of the Canadian National Live Stock Records, Ottawa, and published by the Clydesdale Horse Association of Canada, has been issued from the press, and a copy received at this office. This volume contains pedigrees of stallions, numbered 14.345 to 15.614, and mares 30,016 to 32,284.

Robt. McEwen, of Byron, Ont., in changing his advertisement, writes, that he is going to have some very choice Southdowns for this year's trade. The lambs are typical and growing remarkably strong in the bone and close to the ground. The shearlings also are filling out on pasture, and while a number of them are being fitted for exhibition purposes, there will be a lot of choice breeding animals to pick from both in rams and ewes. To show the quality of the latter, the Illinois State University sent their representative from Champaign, Ill., last week to select three ewes from this flock to use for classroom work, and also to put in their flock. The imported flock of the late T. A. Cox was purchased by Mr. McEwen, and are now at Alloway Lodge. These typical ewes and champion ram, which were selected by Mr. Cox from the flock of Wm. Cazolett, in England, are to be used solely for breeding, and will strengthen the Alloway Lodge flock by a line of breeding hitherto not represented there.

CLOVERLEA HOLSTEINS.

With a bright future before them, as breeders of Holstein cattle, Griesbach Bros., of Collingwood, Ont., Owners of Cloverlea Dairy Farm, are starting out as breeders of Holsteins on lines that ensure success. Everything in connection with the fittings of their large dairy that supplies the town of Collingwood with the highest quality of milk and cream, is strictly up-to-date, fully ensured by a rigid observance of the laws of cleanliness and sanitation. connection with their breeding operations in Holsteins they centred that same business ability and energy that made their dairy operations so great a suc-Senior sire in service on the herd is the splendidly-bred, Beautys Rattler, a son of Count Lakeview Rattler, whose sire is the well-known, intensely-bred Count Hengerve'd Fayne De Kol, at the head of the noted herd of E. F. Osler; the dam of Count Lakeview Rattler was Lakeview Rattler, record 26.75 lbs. She out of Rose Rattler, record 24.19 lbs. The dam of Beautys Rattler was Beauty of O. A. C., one of the O. A. College's best producers and best-bred cows but never tested. As assistant in service Griesbach Bros. have lately purchased the young bull Pontiac Norine Korndyke, A. G., son of the famous Pontiac Korndyke with 91 A. R. O. daughters, eleven of them from 30 to 38.03 lbs., twentynine of them over 25 lbs., fifty-three of them over 20 lbs.; besides which he has fourteen g.-daughters over 30 lbs., including the world's champion K. P. Pontiac Lass, record 44.18 lbs; the sire of this young bull, being Sir Korndyke Boon, whose dam, Fairview Korndyke Boon, record 32.17 lbs., was also a daughter of Pontiac Korndyke. Pontiac Norine Korndyke's dam was Norine Wayne Mercedes, a sister to Canada's greatest producing sire Brookbank Butter Baron the sire of Queen's Butter Baroness, 33.18 lbs., and many others high up in the records. The records of the granddams of this young bull average 27.10 ths., and B. F. test 4.48%. Not many of the females of the herd have been officially tested.
