Clover is a native grass. Blue-joint, red-top and other grasses in abundance. Plentiful supply of pure mountain spring water.

Pastures green all the year.

An ideal dairying and mixed farming country.

Though but lately placed on the market, settlement is proceeding more rapidly than anywhere on the Fraser, and Matsqui will soon have the appearance of a great collection of gardens.

Schools, churches, stores, condensed-

milk factory and creamery already established. Sawmill adjacent to prairie. Cheap lumber.

6,000 acres divided into 40-acre lots is being quickly settled.

Come while you can buy at first hand.

Prices less than land of same quality in Manitoba.

GOSSIP.

Lady—"How dirty your face is, little boy." Boy—"Yes'm; we ain't had no company for more'n a week."

Visitor—"Do you have any difficulty in getting servants?" Hostess—"None whatever. We've had ten different ones in the last month."

Guest—"Why do you scowl at me so, Freddy?" Freddy—"Cause you have ate up all the cake, and haven't married either of my sisters yet."

He—"So your husband has given up smoking? It requires a pretty strong will to do that." She—"Well, you see, I have a strong will."

Sizing Him Up—"What is a press censor, pop?" "Why, a press censor, my son, is a man who knows more than he thinks other people should."

Great things are being done down east by the pacing horse, Gallagher, by Royal Rysdyk, owned by George Mcmillan, of High River, Alta. On the American tracks at Detroit and Buffalo, he has shown remarkable speed. In the 2.08 pace at Buffalo, he won in the second and third heats, doing the mile in 2.04 and 2.04, being the fastest mile trotted or paced this year on the Grand circuit. The purse for this race was \$5,000. Let 'er go Gallagher.

Fitzgerald Bros., Mt. St. Louis, are offering their stock bull, Diamond Jubilee (imp.), in another column of this paper. He is a bull of wonderful substance, weighing, when in ordinary flesh, from 2,700 to 2,800 lbs. He has also been a wonderfully sure stock-getter; his calves being prizewinners throughout Canada and the United States. They are also offering some 40 of his calves, both male and female, and some two-year-old heifers and cows, sired by British Statesman, and bred to Diamond Jubilee. On account of being overstocked, they have to get rid of from 30 to 40 head before winter to make room, so are offering them at very low prices and terms to suit customers.
