Gourlay Pianos

Canada's Most Nearly Perfect Instruments

MUSICALLY and structurally they are more nearly perfect than other first-class pianos. They are a decided advance beyond first-class; they are improved pianos—improved in tone, touch, scale, sounding-board, back, pin-block and every other detail. EVERY IMPROVEMENT is a real one. Our experience with the world's best pianos has enabled us to test every original idea in piano-building—valuable and otherwise. Gourlay Pianos are the embodiment of all ideas that are valuable—the others are left out.
