**Put a lasting roof on your new barn**

We are making Brantford Roofing higher in quality than any other ready roofing. The felt is made to our specifications. It costs us 33 1-3 per cent. more than ordinary felt used in other roofings. But our felt is pure wool, long-fibred, evenly compressed. It wears like iron when saturated with Asphalt—the highest grade of Asphalt. Our Asphaltum is 99 per cent. pure. So called "Trinidad" Asphalt is only about 45 per cent. pure. Do you see why other Asphalt roofings don't wear so long as Brantford Asphalt Roofing?

BRANTFORD ROOFING CO. Limited. Canada.

Winnipeg Agents: General Supply Company of Canada, Limited  
Woods Western Building, Market Street East  
Vancouver Agents: Fleck Bros., Limited, Imperial Building, Seymour Street

**Brantford Roofing**

Lower grade roofings are often sold at about the same price as Brantford Roofing. You can only make sure of lasting service by making up your mind you must have Brantford Roofing. Then write us. We will see you are supplied.

Get our roofing book and samples. Then choose the styles and weight of Brantford Asphalt, Rubber or Crystal Roofing best suited to your requirements. 23

**Are You Going to Build?**

Every year since 1898 the U.S. Government has bought Neponset Paroid Roofing—often a million square feet at a time—for use at home—in Alaska—Panama—the Philippines—in the coldest as well as the hottest climates.

Do you need stronger proof of the wearing qualities, economy, and the satisfaction that NEPONSET Paroid Roofing affords? Do you want proof nearer home? We will give it to you. We will tell you where you can see a NEPONSET Paroid Roof. See how it looks, learn how long it has been on, and hear what the owner has to say about it.

**NEPONSET PAROID Roofing**  
is sold on proof, not promises.

NEPONSET PAROID Roofing for the roofs and sides of barns, stables, poultry buildings. Slate in color. Costs less than shingles. Resists fire.

For brooder houses, sheds and temporary buildings that require low-cost roofing, use NEPONSET RED-ROPE Roofing. Far superior in every respect to tarred felt. It has been the standard low-cost roofing for twenty-five years.

NEPONSET PROSLATE Roofing, for roofs and sides of residences and all buildings calling for artistic roofs and siding. Looks like shingles, wears like slate.

NEPONSET WATERPROOF Building Paper for use under clapboards and shingles, in walls of residences, etc. Keeps out dampness, cold and draughts. Cuts fuel bill one-third every winter.

Consult Our Building Counsel Department. Tell us what kind of building you intend to erect or repair. State exact dimensions and we will send you illustrated suggestions for different types of buildings, or give you expert advice on any building question.

Bird Neponset dealers everywhere. If you do not know the one in your locality, ask us.
