

## Good Buying

### “Never Buy a Pig in a Poke”

On the last examination for Commercial Specialists our students got every certificate that was granted. Even at that we are not soliciting business this year on prestige or record. We believe that you are as much entitled as ever to SEE what you are going to get THIS year.

For that reason it is your privilege to send to us for a sample lesson in Bookkeeping, Commercial Arithmetic, Advanced Arithmetic, Law, Economics, Auditing, Geography, Shorthand, Penmanship; or for special review in Bookkeeping, Arithmetic, Law, Money and Banking, History, Shorthand; or for special weekly letter on Current Events.

Select any one or a number of the above, send in your request, examine our work carefully, compare it if you like with any other course offered.

See for yourself.

We are not offering you hints or helps but a definitely planned course, the result of seventeen years' experience in handling this work.

It is your privilege also to know the men behind this course. Let us send you their records. As a matter of business we believe that these things should be made clear to you.

If, in addition, prestige or record counts with you, we have a whole book of References which is yours for the asking. We will be glad also to give you the names of more than seventy teachers now taking courses with us.
