

“**A** NEW course devoted to the methods of teaching Isaac Pitman Shorthand has been inaugurated at Columbia University.” *News item.*

ISAAC PITMAN PHONOGRAPHY deserves a place on the curriculum of every school. Dr. A. H. Mackay, Superintendent of Education for Nova Scotia, says: “The time will come when it will be taught in all the public schools.” He says further, “It is the

best system, and the only system which gives promise of becoming universal. It is the only authorized system in Ontario Schools.” Because of its peculiar educative value, it can be used to great advantage in junior classes.
