## Ship your Grain to Us!

Take advantage of our experience. We never sacrifice grain that farmers ship us. We know HOW and WHEN to sell on bulges, and we avoid selling on declines. Our business has been built up on our motto: "GOOD RETURNS TO FARMERS."

We have been established for twenty-eight years—Don't you believe our experience could be made valuable to you?

Our commission is ONE CENT per bushel—too small to pay anything to agents. We have no agents; you get THE FULL NET PRICE at which your grain is sold, less our 1c per bushel commission.

If your car is loaded and you cannot wait for shipping instructions, and if you are on the C.P.R. or G.T.P. Ry., ship to "McBean Bros., Fort William." If on the C.N.R. ship to "McBean Bros., Port Arthur."

If at all possible we strongly advise loading direct from your wagon into the car, thus preserving the identity

of your grain, and also assuring that you get paid for every bushel you put into the car.

Send us a six or eight ounce sample of your grain and we will advise you its real value. Even the poorest qualities can be made to draw a good price if properly handled. We understand this business thoroughly, and those are the points that count. Write us for market prospects; you need the BEST; it means MONEY to you. We are not looking for very low prices this coming season.

We are licensed and bonded.

NOTE.—A large yield of grain this fall does not mean low prices. Europe needs every bushel of our grain, and will be willing to pay good prices for it. Should prices get below a fair legitimate value, don't sacrifice. Write us for advice. Reference: BANK OF HAMILTON, WINNIPEG, MAN.
