GRAYS WON SECOND FROM THE LEAFS

Two Passes by Hearne in Seventh Were Turned Into Runs.

THE SCORE WAS 5 TO 2

TORONTO, July 31.—With two down in the seventh "Bunny" Hearne developed a wild streak and passed the next two batters. The score was tied at the time, and "Bunny's" failure to get Plate and Powell, both left-handed hitters, who singled, resulted in the visitors scoring two runs, and taking the lead. This stanza was the turning point of the game, and as the Grays added another in the eighth, they emerged from the second game of the series with a 2 to 2 verdict over the locals.

BUFFALO, July 31.—The Bisons defeated the Skeeters again yesterday by a score of 8 to 2, making it the fourth straight victory over a week of losses. The Skeeters got two runs in the second, mainly on an outfield error, but Beebe was complete master all the way. Score by innings—

BRANTFORD LOST LACROSSE SERIES

Red and Black Were Nosed Out of Victory in Final Stages of Game.

The local intermediate lacrosse team was defeated at St. Marys yesterday by the score of 7-6. Until the end of the third quarter the score stood 5-2 in favor of the locals. At the end of the first quarter the score was 2-1 in favor of Brantford; at half time 5-1. Defending the nets in front of the stands the locals attempted to play a defence game. One goal was scored by Brantford and five by St. Marys. The locals were continually interrupted by the band and the spectators—the spectators thronging on the field. Referee Kinder announced on three occasions if the players were interfered with the game would be forfeited to Brantford. During the match Slattery was put out three times. He was also hurt and during the last few minutes of play was in pretty bad shape and upon arriving at the hotel became unconscious, a doctor was called and he was not revived for ten minutes. The local line up was: Goal, Shannon; J. Kelly point; Harry Collins cover-point; Nichol, Duncan and Ions, defence; Lawton, centre; Klersey, Campbell, Slattery, home; T. Kelly, outside; Heams, inside.

Former President J. J. Kelly, of the Canadian Lacrosse Association, said last night that as the Brantford club has defaulted the remaining games in the district after defeat at the hands of the St. Marys team, the latter has won the district championship.

London was scheduled to play in Brantford on Saturday, but as the Indians have declined to play their remaining games, London is forced to remain idle. It is hardly likely that London will wait until August 27 to play in St. Marys, but a game will, in all probability be arranged for next week.

Learning a lesson from the career of James Thorpe, most college athletes are playing summer baseball in masks and false moustaches.

POET DEFENDS BOXING GAME

After the recent bout at Ghent between Wells and Carpentier several Belgian deputies proposed that such contests be forbidden by law in future. This has given rise to much argument for and against in the Belgian press. The most interesting opinion is that of Maurice Maeterlinck, the author and poet, who pronounces his benediction on boxing in the following words:

"The study of boxing gives us excellent lessons in humility and throws a rather disquieting light on the decay of some of our most precious instincts. We soon perceive that in everything pertaining to the use of our members, agility, skill, muscular strength, power to resist pain, we are at the bottom of the scale among mammals. From this point of view our rightful place would be a modest one between the frog and the sheep."

"The kick of the horse, the goring of a bull, the bite of a dog are mechanically and automatically perfect. It would be impossible to improve by lessons the instinctive use of their all our pride, do not even know how to use our fists. We do not really know which is really the weapon of our kind. Until a master has laboriously taught us we are totally ignorant of concentrating and making use of the relatively tremendous force resident in our chest and shoulders. Watch two carters, two countrymen who come to blows; nothing more pitiable."

"Now just contemplate two boxers. No useless words, no anger, the calm of two men who know what they have to do. The athletic attitude of the defense, one of the finest of the manly body, gives free play to all the muscles of the organism. What a noble simplicity in the attack. Three blows, delivered scientifically, spoil mathematically the thousand clumsy attempts of the uninitiated. And the struggle ends to the satisfaction of the victor, whose triumph is so decisive that he has no desire to press his victory further and without danger to himself he is reduced to unconsciousness during the time necessary for all rancor to evaporate. Shortly after the loser rises without lasting injury for resistance of his bones and of his organs is in a strict and natural proposition to the strength of the human weapon which has struck him down."

HUSBAND'S RINK IN THE RUNNING

Scotch Doubles at Buffalo--In Sixth Trophy Round.

BUFFALO, July 31.—The International Trophy was won for a second time in three years by the Granite Club, Toronto, the Carpanan rink yesterday defeating Seagram of Waterville in one of the hardest fights on record. The eighteenth end saw Carpanan tying the score. With a bowl to play, the end was very ticklish and he preferred to play an extra end instead of his last bowl.

The energetic Secretary, Mr. Lockie of the Buffalo club, was presented with a purse of gold by the President C. McD. Hay of Toronto R. C. Y. C. on behalf of the association. The association final was also reached and won by McCurdy of Stratford.

In the fifth round of the International trophy, Buffalo's rink defeated McGuire (Husband) 15 to 11 and in the sixth the same rink won from Ramsay (Dunnville) 14 to 12.

Baseball Notes

When in doubt, talk post season series.

Looking over the stack of fines assessed against him this season, Heinie Zimmerman can truthfully say that he can't live on \$12,000 a year.

The St. Louis Browns have signed Johnson, an infielder, from the 11th Infantry, nine of Houston Tex. and Wiley Taylor a pitcher, who hails from Austin, in the same state.

TRUTH TELLS

And the TRUTH is Told—
In Our Advertisements

By HOLLAND.

MERCHANTS have learned that the Truth Tells when the Truth is Told. Hence they are scrupulous that their advertisements are accurate. Back of every advertisement, back of every statement made to attract custom, is the reputation of the merchant, his hope of continued success.

Deception may be profitable for a time, but deception cannot be permanent, and the profit based on deception is necessarily brief. Truth is the more effective as it is of longer duration. Falsehood loses its effectiveness as soon as it is discovered.

The merchants who advertise in this paper are honorable men, and this would make them truthful. But above all they are good business men, and they know that

TO BE SUCCESSFUL THEY MUST BE TRUTHFUL

Read the advertisements and profit by them. You can rely absolutely on the statements made in the advertising columns.

Milk and Mathematics.

It was an arduous task for the teacher to drum into her youthful pupils the principles of arithmetic.

"Now, listen," she said. "In order to subtract things have to be in the same denomination. This is what I mean: Now, you couldn't take three apples from four peaches nor eight marbles from 12 buttons. It must be three apples from four apples, and so on."

"Do you understand?"

The majority seemed to grasp the idea. One perky little youngster in the rear, however, raised a timid hand.

"Please, teacher," he inquired, "couldn't you take three quarts of milk from two cows?"—New York Globe.

HAVE YOU A HORSE?

If you want to keep him in shape, never let him suffer pain. Rub on "Nerviline"—it is noted for curing strains, swellings and stiffness and sore muscles. For internal use in curing cramps and colic, Nerviline is a perfect marvel. In every good training stable you'll find Nerviline because it keeps horses in trim and reduces the veterinary bill. Farmers, stockmen and all horse owners should buy Nerviline and prove how valuable it is. Good for man or beast 25c. for bottle at all dealers.

THEY ALWAYS HELP THE OLD FOLKS

Why Mrs. Dionne, Prairies Dadd's Kidney Pills.

Fine Old Quebec Lady Was Wasting Away When She Turned to Dadd's Kidney Pills and Found a New Lease of Life.

ST. MATHIEU, Rimonski Co. One, July 28.—(Special)—"Publish it to all the world that 'Dodd's Kidney Pills cured me.' Those are the words of Mrs. Dionne, an old and respected resident of this place. And surely that cure was a wonderful one. Mrs. Dionne had reached the advanced age of sixty-nine years when all health overtook her. From 181 lbs. she wasted away 'till she weighed only 120 lbs. and she was a very old woman, indeed. Speaking of her case, she says:

"My back and head ached, my heart troubled me, my sleep was broken and unrefreshing, and I perspired freely at night. I also had a pressure or sharp pain on the top of my head, and I found it difficult to collect my thoughts."

It was at this stage that Mrs. Dionne concluded that her trouble came from her kidneys, and she turned to Dodd's Kidney Pills. The first box helped her. She took twelve boxes, and is cured.

Dodd's Kidney Pills always help old people, because when the human body starts to wear out, the kidneys are the first to go. Dodd's Kidney Pills always cure the kidneys.
